M45-54	#218	Four or more visits a month	Yes	Don't know	Again, they should be as diverse as possible and appeal to multi-use activities such as tennis, basketball and track. M45-54	#292	Four or more visits a month	No	About right	They could have a fish pond or a place where you can take kids to go fish. You need to get kids into outdoor recreation. There are plenty of places to take a kid to play basketball. There is no place to take your kid fishing.

F45-54	#211	Four or more visits a month	Yes	About right	There are none.
F45-54	#237	Two to three visits a month	No	About right	Don't know.
F45-54	#250	Four or more visits a month	Yes	Too little	They could improve parking. Everybody parks in the dirt. The parking lot is way too small. I would do some additional parking and some additional soccer fields. The baseball complex is great. This sounds kind of stupid, but there is no playground for the little ones and they get bored. I think a pond would be cool, but it's too much liability. People would fall in. I wouldn't put a playground for big kids just for the little ones. The other ones are there for sport. I would do more parking, more soccer fields, and a playground for little ones. I think that would be very cool up there. There just isn't anything there for the little ones there. Some of the other ones have that. I'm trying to think of who has that where the little ones could play. It was close enough to the fields where a parent could be pushing a little one in the swing and still watch the other kids play in the field. My granddaughter is two and she gets bored watching the kids play, so I'm trying to remember who has that, but I can't remember.

F45-54	#366	Four or more visits a month	No	About right	There could be a dog park.

M18-24	#37	Four or more visits a month	Very satisfied	I like the safety of them. It's a good place to go and have no trouble.	I would like water fountains.
M18-24	#49	About one visit a month	Moderately satisfied	It is somewhere to go and meet up with people. Everyone knows where they are at.	That would be more basketball courts in parks that did not have full size courts.
M18-24	#62	Less than one visit a month	Not very satisfied	They have access to restrooms and are accessible to wheelchairs.	I would like to see water fountains.
M18-24	#84	Two to three visits a month	Very satisfied	I like the cleanliness. They mow and the trash isn't overflowing. It makes the town look good.	I don't know. The playgrounds are for kids. I would be asking little kids to get their opinions. I don't play on the playgrounds in the parks.
M18-24	#91	Four or more visits a month	Very satisfied	I like how open and family friendly they are. There are a lot to do at the parks for all ages. It is very enjoyable.	I am very satisfied with them.
M18-24	#242	Two to three visits a month	Very satisfied	My little brother always has fun, so it's a good, family-oriented place.	They need more drinking fountains.
M18-24	#285	Two to three visits a month	Moderately satisfied	They are well kept.	They could maybe have more drinking fountains.
M18-24	#288	Two to three visits a month	Moderately satisfied	They have a lot of choices and things you can do. You can walk around, play tennis or play the various instruments for the kids. They have plenty of open fields if you want to go throw a football.	They have to make restrooms available at all of the parks.
M18-24	#300	Four or more visits a month	Moderately satisfied	I like the pathways.	They need to plant more trees.
M18-24	#321	Four or more visits a month	Moderately satisfied	I like the basketball courts.	I would like more basketball courts.
M18-24	#362	Less than one visit a month	Moderately satisfied	I like how the running path is maintained. They are clean and convenient.	I would want no improvement.
M18-24	#386	Four or more visits a month	Moderately satisfied	I like that they tend to be cleaner than other parks.	I am not too sure.
M18-24	#393	About one visit a month	Moderately satisfied	Don't know.	I would like to see kids involved in school sports programs instead of getting into trouble with drugs.
M18-24	#404	Four or more visits a month	Moderately satisfied	They are adjacent to my home.	They should add more trees.

M18-24	#407	Four or more visits a month	Moderately satisfied	I like the playgrounds.	There should be more bathrooms.
M25-34	#85	Less than one visit a month	Very satisfied	They are decently clean. There is no garbage or graffiti.	Continue to keep it clean.
M25-34	#102	Two to three visits a month	Moderately satisfied	I like that they are maintained.	They could have more little neighborhood parks.
M25-34	#104	Less than one visit a month	Moderately satisfied	I cannot think of anything.	That may be a bigger playground for kids.
M25-34	#122	About one visit a month	Moderately satisfied	It is the fact that it seems like there is enough of them, so you don't have to go across town to get to one. It's just more convenient.	On some of the playgrounds at parks, they should put some shade structures. They also have some water squirting parks elsewhere, so it would nice to have something like that.
M25-34	#136	Less than one visit a month	Very satisfied	I don't have any comments.	I don't have any.
M25-34	#137	Less than one visit a month	Very satisfied	I like that it has a lot of greenery.	I can't think of anything.

M25-34	#183	Two to three visits a month	Very satisfied	I like that there are several recreation facilities within walking distance from where I live.	They are all pretty great. I don't think they need improvement.
M25-34	#238	Less than one visit a month	Very satisfied	They do a pretty good job with the maintenance in cutting the grass and bushes.	It would be the picnic area. The grills and picnic tables seem to be beat up and worn out. There is not a lot of shade. It needs more trees.
M25-34	#241	Four or more visits a month	Moderately satisfied	There are a lot of things that the kids and their families can do there.	It would be a swimming pool.
M25-34	#245	About one visit a month	Very satisfied	We have a good, fair amount of parks for the population. I'm happy they are at least making recreational areas for our residents to go to so that they are not cooped up in the fall in their houses. I've seen more elderly outside more than staying inside because of the parks. Especially on warm days people can have picnics. They have a good place to have a good amount of recreational facilities.	Honestly, just a little more security in the more active areas where the police can be able to protect the parks would be nice. Renegade punks destroy a lot. One section should have a little more security.

M25-34	#283	Two to three visits a month	Moderately satisfied	I like that people are sharing the community place together.	There could be more outdoor activities at the park.
M25-34	#297	Four or more visits a month	Very satisfied	I like the playgrounds where my daughter can go play. They are clean.	I have nothing to suggest.
M25-34	#298	No visits in last six months	Moderately satisfied	I like the basketball courts and tennis courts.	There could be more facilities so that you can engage in other things. There could be vending machines or an activity center where you can play arcade games.
M25-34	#299	Two to three visits a month	Moderately satisfied	It is fairly clean. I have never had any problems.	They could have more restrooms.
M25-34	#307	Four or more visits a month	Very satisfied	Those would be the access and cleanliness.	They could have open areas for dirt biking.
M25-34	#340	Two to three visits a month	Very satisfied	There are numerous parks, and they are all extremely clean and well maintained.	I would like to see a dog park closer to the center of town.
M25-34	#368	Two to three visits a month	Very satisfied	Don't know.	I'm not sure.
M25-34	#371	Four or more visits a month	Moderately satisfied	It doesn't matter to me. I just take my kids there.	They could maybe have more public restrooms.
M25-34	#391	Less than one visit a month	Very satisfied	I like the fact that they are clean. There is no graffiti or gum stuck to stuff. I do not have a problem with my kids playing there or anything. They do a good job.	I would like to build a little guardhouse for guards or a safety phone booth where you could go in case of an emergency.
M25-34	#394	Two to three visits a month	Very satisfied	They are generally pretty clean and well kept.	They could unlock the softball and baseball fields a little bit earlier.
M25-34	#401	Two to three visits a month	Very satisfied	The cleanliness is amazing. They need to keep up on the maintenance like they have been doing.	They could schedule the parks for parties. They could have a central web site giving all information about the parks, and the schedules and activities at the parks.
M25-34	#402	Less than one visit a month	Moderately satisfied	It is generally safe. There are no gang bangers. I've never seen any fights happen there.	They should put the soccer fields away from the schools.
M25-34	#403	Less than one visit a month	Moderately satisfied	They are fine.	There should be more trees in the parks.
M25-34	#405	Two to three visits a month	Moderately satisfied	The amount of space is not enough.	There should be more drinking fountains.

M25-34	#406	Four or more visits a month	Very satisfied	I like the equipment and things for the kids to play with.	There could be a little bit more monitoring from the police or city people. There should be a little more security because at some parks, There are some punk teenagers smoking and I would just like to see more enforcement from police. I would like to see more cracking down on smoking because there are kids playing around people smoking. I don't like it.
M25-34	#408	Two to three visits a month	Moderately satisfied	It is nice and adequate for each community area. For every subdivision, there is enough room.	It would be a water park.
M25-34	#409	Four or more visits a month	Very satisfied	I like being able to play with the kids, the kids being able to play, and be able to take walks in open spaces.	I don't think anything.
M25-34	#410	Four or more visits a month	Very satisfied	I like the exercise areas and the area where they have the names of trees and different things that I can show to the kids and teach them about nature.	I want to see upkeep on the graffiti going on all over the place. I would also like to see cracking down on the gangs and theft.
M35-44	#6	Four or more visits a month	Moderately satisfied	It is the trends. They are consistently safe places to bring children to.	There should be easier access to restroom facilities or better restrooms.

M35-44	#27	Less than one visit a month	Moderately satisfied	I like it that they are there and are open. A lot of them are closing down nowadays.	It is to have more dog parks.

M35-44	#42	Four or more visits a month	Not very satisfied	I would say maintenance and access.	They do not seem to have enough basketball courts or good basketball courts.
M35-44	#68	Less than one visit a month	Very satisfied	It is the basketball courts.	It would be better lighting, I guess.
M35-44	#69	Four or more visits a month	Moderately satisfied	I would probably say how close they are to where I live.	There could be more recreational trails for hiking, biking and running.
M35-44	#75	Four or more visits a month	Very satisfied	I like how they keep the grass, how clean they are and how they present it to the public.	They could add more kid stuff.
M35-44	#78	Two to three visits a month	Very satisfied	They are accessible and clean.	They could have a wider variety of sports activities.

M35-44	#86	Four or more visits a month	Very satisfied	They are very well maintained. The city provides enough space. I would like to see more recreation facilities added to it.	I am happy with everything. However, I would like to see better security at Centennial Park.
M35-44	#90	Two to three visits a month	Very satisfied	They are laid out well. They all have nice and clean centered toys. They keep it clean and well lit. When the sun goes down, you can see. They do a very good job at the parks.	They could improve the big old bass pond. They could stock Adobe Park with mass amount of bass.
M35-44	#92	Less than one visit a month	Not very satisfied	There is nothing that I like the most.	I have none.
M35-44	#93	Two to three visits a month	Moderately satisfied	I have no opinion.	I have no opinion.
M35-44	#94	Two to three visits a month	Moderately satisfied	Walking paths and bicycle paths seem to be more of what I am interested in. I like the activities they have like archery, out at the lagoon and the dog park out there. I have even watched people play that frisbee football. I really like that sort of thing.	I like the idea of improving the Centennial Park because it is so large. It would be great to utilize that space better. The smaller neighborhood parks don't seem to work very well. A bigger and more central location would be good.
M35-44	#107	Two to three visits a month	Very satisfied	It is the playground area for kids.	That would be better and more restrooms in the parks.
M35-44	#114	Four or more visits a month	Very satisfied	In most of the parks, I am able to include my dogs, family and friends. The playground is phenomenal, especially in the fact that it has been vandalized and the entire community has been involved in re-constructing it and putting it back to use.	The one improvement would be the restroom facilities. It should be equipped with changing tables for our children. There could be more restrooms, which are well-stocked with restroom needs, such as soap and tissue paper.
M35-44	#115	Four or more visits a month	Moderately satisfied	They are fine. They are how they should be.	There could be more mountain bike trails.
M35-44	#129	Four or more visits a month	Very satisfied	They are usually very clean.	They could have more things for the little kids to do.
M35-44	#249	Four or more visits a month	Very satisfied	I like the open space.	I'd like to see a continuation of the bike trails in the community.
M35-44	#261	About one visit a month	Moderately satisfied	They're clean and nice for the kids to play in. They're well-maintained.	I would say look at the addition of water playgrounds or more trees for shade.

M35-44	#278	Four or more visits a month	Moderately satisfied	Those would be the dogs and runners at Lagoon Valley and the Golf Course.	They could help promote the Disc Golf Course.
M35-44	#281	No visits in last six months	Moderately satisfied	I like most the ease of access.	I don't know.
M35-44	#282	Four or more visits a month	Moderately satisfied	I have small kids, so they could have probably playgrounds and open space.	I'd say more small playgrounds.
M35-44	#306	Four or more visits a month	Very satisfied	I probably like most the lack of homeless people and gangs.	They should probably work on having drinking fountains.
M35-44	#310	About one visit a month	Very satisfied	There seems to be enough anywhere I go, so I don't have to go far.	There could be an actual restroom at Lagoon Valley. There should be a lighted parking lot at the bathroom area.
M35-44	#315	Four or more visits a month	Very satisfied	They're all nice.	I probably have nothing on that.
M35-44	#318	Two to three visits a month	Very satisfied	Don't know.	There could be restrooms.
M35-44	#323	Four or more visits a month	Very satisfied	Don't know.	There is nothing I would like to see.
M35-44	#341	About one visit a month	Very satisfied	Don't know.	I would have to think about that more before I give a specific answer.
M35-44	#343	Four or more visits a month	Very satisfied	It is safe and convenient.	I don't have any suggestions.
M35-44	#354	Four or more visits a month	Very satisfied	I like that they are spread out. There is a good variety of areas.	There could be a good upkeep of the park.
M35-44	#363	Two to three visits a month	Very satisfied	Don't know.	Some of them need to have shaded areas.
M35-44	#378	Four or more visits a month	Moderately satisfied	A lot of the people in the community use them.	Everything's pretty good. They could just maybe mow the lawns.
M35-44	#382	Four or more visits a month	Not at all satisfied	I like the amount of them.	They could allow the city to use them without fees or permits.
M35-44	#384	Four or more visits a month	Moderately satisfied	It is centrally located.	It seems like certain ones get more maintenance and refurbishing than others. It seems that while some get better, others get worse.
M35-44	#395	Four or more visits a month	Very satisfied	The maintenance is good on them.	I have no comment.

M45-54	#20	About one visit a month	Moderately satisfied	They are usually pretty well-planned out. It has good facilities for the kids to play on.	I would like to see good clean bathrooms.
M45-54	#30	No visits in last six months	Moderately satisfied	I like the cleanliness. It's very well kept.	The irrigation systems could be taken care of better.
M45-54	#31	Four or more visits a month	Very satisfied	They are well kept and maintained well.	I am pretty well satisfied, but you could throw in a trout pond.
M45-54	#32	Two to three visits a month	Moderately satisfied	They are clean for the most part, but they could take more care of the landscaping.	I would like to see more parks in the lesser income areas. We are expanding in the income areas where people are comfortable and neglecting those that have lesser income.
M45-54	#39	No visits in last six months	Moderately satisfied	I like the cleanliness.	I would leave it alone the way it is.
M45-54	#47	Four or more visits a month	Moderately satisfied	I like most that they are clean and well-maintained. On the other hand, some of the items out there to use, like the track, for basketball and et cetera, are really falling apart. I know the budget is low.	That is a tough question. Generally, that would be more things to do at the park. I always thought it would be good to have barbecue pits.
M45-54	#51	Less than one visit a month	Very satisfied	That would be space and orientation.	Everything is pretty much okay.
M45-54	#55	Less than one visit a month	Very satisfied	They are close to my house.	They should mow the lawns more.
M45-54	#57	No visits in last six months	Moderately satisfied	It is very clean. There is quite a bit to offer. It is well taken care of. For the most part, it is relatively safe.	I would like a park for dogs that was designed only for dogs. There should be certain rules and it should be very structured.
M45-54	#65	Less than one visit a month	Moderately satisfied	They are clean and well maintained. The areas for picnicking and barbecuing are convenient.	Improve the restrooms.
M45-54	#71	Less than one visit a month	Moderately satisfied	They are clean. If they do have bathrooms, there is no graffiti.	There needs to be more parks on the east side of the city.
M45-54	#80	Two to three visits a month	Moderately satisfied	I know that they have that Andrews Park down there. In the summertime, they have the Creekwalk. The residents have a good time at that with the live music and its fun.	I would like to see the restroom improved. When they have big functions, they have to bring in portable facilities. I would like to see bigger restroom facilities.
M45-54	#81	No visits in last six months	Moderately satisfied	Don't know.	I don't see any issues with it. I am happy with the way Vacaville is situated.

M45-54	#83	Less than one visit a month	Moderately satisfied	I think most of them have pretty good playgrounds for the kids.	They should have more bathrooms in them.
M45-54	#106	Less than one visit a month	Very satisfied	That would be the abundance of them. There is a little bit of a park pretty much everywhere. It is a good atmosphere. The parks are excellent.	That would be more land and park areas. They should improve what we have.
M45-54	#113	No visits in last six months	Not very satisfied	It is their safety.	I would like to see more of them. There should be more parks.
M45-54	#118	No visits in last six months	Moderately satisfied	I have no opinion because I don't visit any of them.	There is none.
M45-54	#126	Four or more visits a month	Moderately satisfied	I like the open spaces.	I would like to see better bike paths within the parks and the city.
M45-54	#152	About one visit a month	Very satisfied	I like the greenery, shrubbery, trees and the picnic area with the awnings.	It could have more water faucets.
M45-54	#157	Less than one visit a month	Very satisfied	I know that they do have a lot of nice paths and places for the people to exercise.	Maybe they could have a little bit more lighting at night.
M45-54	#158	No visits in last six months	Moderately satisfied	I have no comment on that.	They should be taking better care of the facilities.
M45-54	#162	Four or more visits a month	Moderately satisfied	It is Andrews. I really like the walk around the park with a lot of areas to sit. For the handicapped people, there should be more benches or sitting areas.	They could improve the senior areas and safe areas to keep the kids out of trouble. They could have indoor facilities for the cold months. It should be well supervised for the kids. They could have play areas and indoor basketball.
M45-54	#167	Four or more visits a month	Very satisfied	They are well maintained. Hopkins is one of the prettier community parks. They do a good job of covering up the graffiti and mowing. I like them. We are going up there.	They could work on the security and gang issues.
M45-54	#172	Four or more visits a month	Very satisfied	I like the size and the open space of the Lagoon and Centennial.	They need to improve the rest rooms.
M45-54	#175	About one visit a month	Very satisfied	I like the trees. It is nice to have playgrounds. I like basketball and tennis.	I want more trees.
M45-54	#180	No visits in last six months	Very satisfied	Don't know.	The parking at the downtown park is bad. I think it is the Centennial park.

M45-54	#203	Two to three visits a month	Very satisfied	Vacaville is a very nice to place to live. I am very satisfied with the maintenance. I am also very satisfied with Downtown Vacaville's streets and landscaping.	I do not approve of the lighting which has nothing to do with recreation. With the traffic lights, it is like too many red lights are waiting for no reason. There are no vehicles in the other direction. We need better system with the traffic lights.
M45-54	#207	Two to three visits a month	Very satisfied	Don't know.	I don't have any suggestions.
M45-54	#208	Four or more visits a month	Moderately satisfied	There are lots to choose from.	I have none.
M45-54	#215	Four or more visits a month	Very satisfied	They don't seem to be overused. It is about the right amount of people. I would like to have bathrooms of some sort. Most of them don't have them. Problems go along with them.	I would like bathrooms. I really enjoy the parks.
M45-54	#218	Four or more visits a month	Very satisfied	They are well maintained. There are areas that they could do a better job of maintaining. I like the emphasis on open space pockets, but I don't think some of them have has much emphasis on open space planning.	As I mentioned before, the neighborhood parks are not adequate open space. There should be more open space.
M45-54	#223	Two to three visits a month	Very satisfied	I like the openness and the accessibility of the neighborhoods.	They need better lighting.
M45-54	#224	Four or more visits a month	Very satisfied	I like all the trails they have because I can walk, bike or jog to just about any point in the city.	If they would create a lake in Centennial Park and stock it with fish, I would be in heaven.
M45-54	#229	No visits in last six months	Moderately satisfied	There are quite a few on both sides of town, which makes it nice. They try and put them where the new neighborhoods are.	They should put a library on the southeast side of town.
M45-54	#235	About one visit a month	Moderately satisfied	At this moment, I can't think of anything. I mostly go to Lagoon Valley.	It needs to be patrolled a little more often with security.
M45-54	#244	About one visit a month	Moderately satisfied	They are secured and friendly.	They do need more picnic areas for kids.
M45-54	#254	About one visit a month	Very satisfied	I like the variation of activities they have to offer.	I'm not really sure.
M45-54	#266	Two to three visits a month	Very satisfied	I like the mountain biking and hiking mostly. Please make it a little longer.	There is nothing really. They are really good parks.
M45-54	#273	Two to three visits a month	Very satisfied	The design of the parks is good.	They need more dog friendly areas.

M45-54	#275	Less than one visit a month	Not at all satisfied	There is not really much to like because they are junky looking.	For the parks to improve, they need barbecue pits, picnic tables, covered awnings and nice grass.
M45-54	#276	Less than one visit a month	Moderately satisfied	They are usually really clean.	They need to work on some restrooms in the big parks.
M45-54	#277	Four or more visits a month	Very satisfied	They are very clean and well maintained.	I am pretty happy the way they are.
M45-54	#280	Four or more visits a month	Very satisfied	Those would be the cleanliness and maintenance. People would like to be able to go to a clean park.	They need more lighting. There is a park in the neighborhood, but I can't think of the name of it.
M45-54	#284	Four or more visits a month	Moderately satisfied	Those would be the jogging trails.	They could expand the bike trails.
M45-54	#291	No visits in last six months	Very satisfied	They have enough of them.	I have nothing on that one.
M45-54	#292	Four or more visits a month	Moderately satisfied	They are kept clean.	There could be fishing or alternate outdoor recreation.
M45-54	#293	Two to three visits a month	Very satisfied	I like the availability of them and how much they're used.	I would like to see more bike trails.
M45-54	#294	Less than one visit a month	Very satisfied	They're well kept and nicely landscaped. They're just very nice areas.	I have nothing on that, really.
M45-54	#295	About one visit a month	Very satisfied	They are easily accessible. They're clean and well kept. From where I am, they get used regularly.	I don't have anything right now off the top of my head.
M45-54	#296	Two to three visits a month	Very satisfied	Mostly, we go to the small parks. We like the trails, grassy parts and play areas.	They could maybe have more water fountains.
M45-54	#302	Two to three visits a month	Moderately satisfied	They are all clean and nice.	I'm not happy with the number of bathrooms they have. They should have them on both ends of each park.
M45-54	#303	Four or more visits a month	Very satisfied	I like how they keep them pretty clean.	They could have more water fountains.
M45-54	#305	Less than one visit a month	Very satisfied	I like the fact that there are a lot of different parks close by.	I would say, plant more trees.
M45-54	#309	Four or more visits a month	Very satisfied	Don't know.	They could work on the soccer park drainage.
M45-54	#312	Two to three visits a month	Very satisfied	I like it being spacious.	There could be some volleyball courts.

M45-54	#313	About one visit a month	Very satisfied	Don't know.	I'm pretty satisfied with how it is now.
M45-54	#317	About one visit a month	Moderately satisfied	I don't have a good answer there.	What I would most like to see is landscaping that makes more areas of the park more secluded so you don't see everyone.
M45-54	#320	Four or more visits a month	Very satisfied	First of all, I think there is enough out there. There is a good variety of choices to choose from. They are kept up pretty well. There is enough land in the parks.	I don't think I could answer that. I've never really given it any thought.
M45-54	#322	Less than one visit a month	Very satisfied	I love the large grass areas for softball and throwing frisbees and footballs.	There could maybe be hiking trails.
M45-54	#337	Less than one visit a month	Very satisfied	Don't know.	There are none.
M45-54	#338	Four or more visits a month	Moderately satisfied	I like the open space hiking areas.	They could improve the Lagoon Valley Park.
M45-54	#342	Two to three visits a month	Very satisfied	Almost every neighborhood has one.	The footpath around the park needs to be paved. There is uneven ground, and it gets muddy. You could sprain your ankle. It's at Callison Park.
M45-54	#352	Four or more visits a month	Moderately satisfied	I like the nature trails.	They could improve the trails.
M45-54	#358	Four or more visits a month	Very satisfied	It's convenient and well maintained. Those are the major things.	I would just say a no-leash dog park.
M45-54	#359	Four or more visits a month	Moderately satisfied	I like to take my grandkids there.	I don't know. It's hard to say.
M45-54	#360	Two to three visits a month	Moderately satisfied	It is a kids' area.	I don't know.
M45-54	#364	Two to three visits a month	Moderately satisfied	The parks are very accessible and well maintained.	I would like more shade and bathrooms.
M45-54	#370	Two to three visits a month	Very satisfied	They keep it clean and take care of it. They make it nice to visit.	There could maybe be better lit walking areas. They could add more lighting.
M45-54	#373	No visits in last six months	Moderately satisfied	They are spacious.	I wouldn't have an opinion because I haven't been there.
M45-54	#377	Less than one visit a month	Not very satisfied	I like hiking and natural areas.	They could clean them up.

M45-54	#383	Four or more visits a month	Moderately satisfied	I like the running trails.	There could be bike trails.
M45-54	#387	Less than one visit a month	Moderately satisfied	What I like most is that they have parks to serve every corner of the city. It seems you don't have to go very far for a park.	They could expand and improve the Centennial Park. That's the only thing that comes to mind. We have been using that park for about 18 years.
M45-54	#398	Two to three visits a month	Very satisfied	I like the open space and the nonstructures.	There could be more groomed trails.
M45-54	#400	Four or more visits a month	Very satisfied	They are well maintained and have nice equipment.	I would like to see them improve the parking.
M55-64	#10	Less than one visit a month	Not at all satisfied	I like the old-growth shade trees and band shells that the park downtown has. I wish real bands played there.	It would be a nice band shell with a good brass band.
M55-64	#33	No visits in last six months	Moderately satisfied	They provide open space in what would otherwise be a normal neighborhood.	I don't think of any improvements.
M55-64	#46	No visits in last six months	Very satisfied	The parks are really good.	That would be restrooms.
M55-64	#53	About one visit a month	Moderately satisfied	There is not much area for our kids to get out there and play baseball and football. I like that parks are all over the place on the south side of town and that is something to be appreciated.	I would like to see more area where baseball can be played.
M55-64	#54	Less than one visit a month	Very satisfied	They are nice and convenient. It is a place for kids to play around.	That would be more bike trails.
M55-64	#58	Two to three visits a month	Moderately satisfied	I take my granddaughter over there. She rides on the swings, and we have a good time. I like the dog bags to pick up my dog's poo.	I have no opinion.
M55-64	#60	Less than one visit a month	Moderately satisfied	There should be easy accessibility for disabled individuals. I'm disabled. Without it, I can't enjoy the parks or recreation areas at all.	They should add built-in barbecue grills.
M55-64	#116	No visits in last six months	Very satisfied	It has open areas.	There could be hiking trails.
M55-64	#119	Two to three visits a month	Moderately satisfied	I like easy accessibility.	There is none.
M55-64	#120	About one visit a month	Very satisfied	They are overall pretty clean and well-maintained.	It is to improve the watering. Sometimes, they water too much.

M55-64	#125	Less than one visit a month	Moderately satisfied	I would say ease of use, cleanliness and the security.	They could have more water fountains and possibly more public toilets. They could have a thing for people to clean up after their pets like a bag dispenser. That would be really good. Maybe, they should get the police to investigate more into the tagging and the defacing of signs and swings and things like that.
M55-64	#143	Two to three visits a month	Moderately satisfied	I like having the land available to take kids to the park. I like to have the playground equipment and the area to play baseball.	The lake is very shallow. It needs to be developed into a deeper lake facility to have water sports. The water is always nasty looking. They should improve the water quality in Lagoon Valley and maybe get some fish in there.
M55-64	#148	Two to three visits a month	Very satisfied	I like the safety.	They are the toilets.
M55-64	#159	Four or more visits a month	Very satisfied	They are there for my use.	There are none.
M55-64	#161	Two to three visits a month	Moderately satisfied	Don't know.	I would like to see the baseball parks improved and up kept better. They need to be on par with all the other parks.
M55-64	#169	Less than one visit a month	Moderately satisfied	They are always safe and clean.	I couldn't tell you right now. I would have to think about it and get back to you.
M55-64	#170	No visits in last six months	Very satisfied	It is the Creekwalk.	I would like to see this at the Centennial Park. Alison Parkway could go all the way through.
M55-64	#174	Don't know	Very satisfied	They are the wide open spaces.	The hiking trails are not concrete. They should separate the biking and hiking trails. There needs to be a better selection of resting areas or stretching areas. Also, they need to encourage the people to do more than just play soccer and baseball.
M55-64	#178	Two to three visits a month	Moderately satisfied	I would like to have more parks and trails.	There could be more parks in South Vacaville.
M55-64	#181	About one visit a month	Moderately satisfied	I like the Easter egg hunts and all that at the Bicentennial Park.	The one by my house has everything that we need.

M55-64	#193	Two to three visits a month	Moderately satisfied	Don't know.	They should make them bigger.
M55-64	#210	Less than one visit a month	Moderately satisfied	I like the parks that are available for younger children.	I don't know.
M55-64	#231	Less than one visit a month	Very satisfied	Don't know.	I have no opinion.
M55-64	#232	No visits in last six months	Very satisfied	I don't have an opinion.	I couldn't tell you.
M55-64	#239	Four or more visits a month	Moderately satisfied	It is family friendly.	They need bathrooms at Centennial Park.
M55-64	#247	About one visit a month	Moderately satisfied	What I think I like the most is that they have lots of trees. It really makes it feel like a park.	I think I'd like to see bike lanes throughout the entire city to make bike travel safer. Bike lanes in all the major streets would encourage safer bike travel.
M55-64	#330	About one visit a month	Don't know	I like that they are still there.	I would like to see a little less grass and more landscaping projects.
M55-64	#332	No visits in last six months	Moderately satisfied	Don't know.	There could be fishing ponds. It would be great to be able to fish inside the city.
M55-64	#335	Less than one visit a month	Moderately satisfied	Don't know.	I'm satisfied with what we have.
M55-64	#351	No visits in last six months	Not at all satisfied	There is nothing.	They could get rid of the smaller parks we have. Most of the park is not accessible to some people because it is on the other side of town. It is a waste of taxpayers' money because nobody ever uses it.
M55-64	#353	About one visit a month	Very satisfied	They are clean and well maintained. When I had younger children, I always felt safe bringing them there.	I can't think of any improvements at the moment.
M55-64	#356	About one visit a month	Very satisfied	I like the cleanliness.	There are none.
M55-64	#357	Two to three visits a month	Very satisfied	They are well kept. They do a lot in supporting the kids in the community with recreational activities. I like that they are community oriented and that it is a community oriented town.	I really don't know at this time.

M55-64	#361	Two to three visits a month	Very satisfied	They are all well maintained and clean. People don't leave them a mess for the most part.	I am not a fair person to ask on that one.
M55-64	#374	Less than one visit a month	Moderately satisfied	Don't know.	I would like to see a better golf course.
M55-64	#375	Four or more visits a month	Moderately satisfied	I like just walking around and letting the dog sniff itself and so forth.	They should keep their powder dry and hold their position. We are not in any position to be spending more money we don't have. That is irresponsible.
M55-64	#381	Less than one visit a month	Very satisfied	I like the assortment that we have to choose from with activities.	There could be gliders and airplanes.
M55-64	#385	Two to three visits a month	Not at all satisfied	I like the trails that allow me to do my hiking or biking.	They could have more activities for children.
M55-64	#388	No visits in last six months	Very satisfied	They are well maintained.	I don't have any I could think of.
M55-64	#389	No visits in last six months	Very satisfied	They're kept up and very clean.	There could be more bathrooms.

M55-64	#396	Less than one visit a month	Moderately satisfied	They are well-groomed.	There could be more bathrooms.
M55-64	#397	Four or more visits a month	Moderately satisfied	There seems to be something in every neighborhood. The parks are kept up well.	They need a dog park in town that you don't have to pay to get into. They could build a big dog park.
M55-64	#399	No visits in last six months	Don't know	There is nothing I can put my finger on because I don't go there.	They could get rid of some of the buildings. There are too many restrictions and regulations.
M65+	#7	No visits in last six months	Very satisfied	They do have parks all over the city. I personally have not utilized any of them, but driving around seeing all the parks is nice.	I wouldn't have any ideas.
M65+	#19	Four or more visits a month	Very satisfied	I like to be able to walk around in the solitude from time to time.	There should be more youth associated facilities, like baseball, skateboard, basketball, bicycling and et cetera.
M65+	#34	No visits in last six months	Very satisfied	They are convenient.	I don't have the foggiest idea.

M65+	#35	No visits in last six months	Don't know	I don't use the parks.	Cease and desist all parks and recreational areas, they are a waste of money.
M65+	#40	Four or more visits a month	Very satisfied	I liked the way they were landscaped. The trails were wound and the neighborhood parks were spaced out correctly. They were, how would I say it, even if I did not go in them, they were visually attractive.	I would like to see Lagoon Valley Park developed a little bit more. There is a lake there. It is Lagoon Valley Lake. I would like to see that developed a bit more.
M65+	#43	Four or more visits a month	Very satisfied	I like the fact that they do have benches and trees for shade and relaxation.	I'd like to see more public restrooms.
M65+	#132	No visits in last six months	Very satisfied	I like a lot of open spaces for walking.	I have no suggestions.
M65+	#135	No visits in last six months	Moderately satisfied	I like the walking and jogging track.	I am satisfied with what we already have.
M65+	#138	No visits in last six months	Moderately satisfied	They are well groomed and that is pretty nice.	I would like to see the Vacaville train get back to the size it used to be.
M65+	#139	Less than one visit a month	Very satisfied	The parks are available to a lot of residents. They are located throughout the city.	I don't feel qualified to answer that.
M65+	#144	Four or more visits a month	Moderately satisfied	I like a number of them and they are everywhere.	It would be a restroom at North Orchard Park.
M65+	#171	About one visit a month	Very satisfied	They are for my grandsons who are small. I like the smaller parks.	I would like to see better facilities at the football fields for the Pee Wees.
M65+	#177	Two to three visits a month	Moderately satisfied	They are very close.	I want to see them do better upkeep on the property.
M65+	#184	Four or more visits a month	Very satisfied	It would be the availability, cleanliness, and my grandkids just love the parks. My grownup kids enjoyed the beautiful facilities, plus the lighting.	There are none.
M65+	#186	Four or more visits a month	Very satisfied	I love taking my kids to the playground and parks, so that is my favorite.	I cannot think of any. They should maintain what we have.
M65+	#188	No visits in last six months	Moderately satisfied	Don't know.	No further improvements should be made at all right now. They should wait until there is an upswing in the economy before they start spending money.
M65+	#194	No visits in last six months	Very satisfied	They should leave it alone. It is nice how it is.	I have no comments.

M65+	#199	Less than one visit a month	Don't know	I like the space and the landscaping the most as well as the effective dedication plate. It tells when and how the park was established.	It would be nice to have more restroom facilities.
M65+	#204	Less than one visit a month	Very satisfied	I like the way they are scattered out around town. They seem to be close to the neighborhoods and housing developments in town.	Right now, there should be more security.
M65+	#221	Less than one visit a month	Very satisfied	I like the openness of the space and them being adjacent to the grammar schools. The picnic areas are adequate and well maintained. Any vandalism that occurs seems to be taken care of very quickly.	I couldn't give an answer right now.
M65+	#222	About one visit a month	Very satisfied	They have good and unusual equipment for the kids to play in.	It would be a Porta-Potty in them.
M65+	#227	Less than one visit a month	Very satisfied	They're well-maintained.	I don't want to spend any more money, so I'm happy with the way things are.
M65+	#228	No visits in last six months	Moderately satisfied	I like the facilities that are available and the openness of the park area.	Right off, I don't have an answer for that.
M65+	#233	No visits in last six months	Very satisfied	They seem to be well-maintained.	They could have some restrooms. Some parks don't have restrooms.
M65+	#240	Two to three visits a month	Very satisfied	It would be the availability for the kids.	They could have more restrooms at the neighborhood parks.
M65+	#246	Two to three visits a month	Very satisfied	They are always kept nice and clean.	I'd like them to build a trash facility.
M65+	#331	Four or more visits a month	Moderately satisfied	They are very convenient and well maintained.	I can't think of any.
M65+	#349	Less than one visit a month	Very satisfied	I enjoy walking in them.	Some could use restroom facilities.
M65+	#350	About one visit a month	Very satisfied	The parks are well maintained. I am handicapped, so walking is my choice of recreation. The trails are very nice. Most of the parks have nice walking areas.	There could probably be another aquatic or swimming pool that the town can use.
M65+	#355	Two to three visits a month	Very satisfied	I like the fact that they are spread out and you have a variety of places to go.	There could maybe be a few more places to cook or barbecue.

M65+	#392	Four or more visits a month	Very satisfied	They are accessible to most neighborhoods. There seems to be enough to satisfy the population here.	They could pick up after dogs in parks. I am tired of stepping on it and seeing kids playing in unsanitary conditions because people are too lazy to pick up after themselves. They could hire someone to do it. There are not enough restrooms, especially in the little parks.
F18-24	#74	Two to three visits a month	Very satisfied	The hiking trails are kept up the same way as the bike trails are.	I would maybe have more lights.
F18-24	#98	Four or more visits a month	Very satisfied	I like the safety.	I am not sure.
F18-24	#141	Less than one visit a month	Moderately satisfied	I like the smaller parks that are closer to neighborhoods because that is where the families go to.	I would like all the graffiti covered up. They should go inside the children's slides and erase the curse and gang related words. They could have all the equipment.
F18-24	#187	Less than one visit a month	Moderately satisfied	Everything is good and entertaining.	Some parks don't have bathrooms. They should build bathrooms.
F18-24	#272	Two to three visits a month	Moderately satisfied	There are a lot of playgrounds for kids to play on, grassy areas for the bigger kids, and great places for families.	They need more restrooms.
F18-24	#301	No visits in last six months	Very satisfied	They are clean. People who are homeless sleep there, but it is clean for the kids to play there. There is no trash.	There are old playgrounds they should update. Other than that, I don't have a problem with it. They should have the police drive by to make sure nothing illegal is happening and to make it safer.
F18-24	#319	Two to three visits a month	Very satisfied	It is always clean and very safe for my little sisters. There are never any sharp objects on the playgrounds.	I'm really not too sure.
F18-24	#339	Less than one visit a month	Moderately satisfied	Don't know.	Everything is fine the way it is.
F25-34	#1	No visits in last six months	Very satisfied	They are nice, clean and friendly.	I would like to see them left open for a little bit longer.
F25-34	#4	Four or more visits a month	Moderately satisfied	I do like the cleanliness.	It would be restrooms. We need more restrooms that are monitored and kept clean.

F25-34	#16	Less than one visit a month	Moderately satisfied	The ones that have restrooms are easier to go to when you have small children, elderly and pregnant women. We would visit more of the parks if they had restrooms.	It would be restrooms and maybe a little bit more of a police presence.
F25-34	#48	Four or more visits a month	Moderately satisfied	I like that it is clean. I like how they have dog parks. They need more parks and activities.	I would like to see more activities.
F25-34	#52	Four or more visits a month	Moderately satisfied	I like the choice of play structures.	That would be more bathrooms.
F25-34	#64	Four or more visits a month	Moderately satisfied	They keep them updated.	I'd like a new dog park, one within the city limits or one more accessible to the people of Vacaville.
F25-34	#70	Two to three visits a month	Very satisfied	They are clean.	I would rather have another dog park for small and large dogs in Vacaville.
F25-34	#72	Two to three visits a month	Very satisfied	I like the open grassy parts.	I can't think of anything.
F25-34	#73	Four or more visits a month	Moderately satisfied	Mostly, it's well kept.	I would like more recycling in all the facilities.
F25-34	#79	Four or more visits a month	Don't know	I like the fact that they keep up on all the maintenance.	I don't know.
F25-34	#101	Four or more visits a month	Very satisfied	The parks are open. If you sit at one table, you can see everything. The grasses are always cut and there are no bushes.	There is no tether ball and not enough bathrooms.
F25-34	#165	Four or more visits a month	Very satisfied	I like that they have a little bit of everything. My kids love playing there.	They could improve the bathrooms. Most of the parks don't have bathrooms and that is a problem if you have little children.
F25-34	#216	Four or more visits a month	Moderately satisfied	It would be the play areas.	I would like to see more security.
F25-34	#225	Two to three visits a month	Moderately satisfied	They are kept up with well.	They should have better lighting.
F25-34	#234	No visits in last six months	Moderately satisfied	I like the one downtown, but there is not enough parking. The one on California Street is a little better because the kids use it, which is good.	They should have more stuff for the children, like an outdoor skating rink or a swimming pool. They should have something for the kids to do. They need something to do.

F25-34	#258	Less than one visit a month	Very satisfied	They were clean. That's a big thing. I come from the city. They are clean and safe, and that's important.	I don't think they need improvement.
F25-34	#279	Two to three visits a month	Not very satisfied	Don't know.	That would be more restrooms.
F25-34	#286	Two to three visits a month	Very satisfied	There is enough area and grass. We have enough area for playing and running around.	I don't have anything specific.
F25-34	#287	Four or more visits a month	Moderately satisfied	For the most part, they are kept pretty neat.	I would like to see more younger children play structures for ages four and younger.
F25-34	#289	Two to three visits a month	Very satisfied	There is a ton of stuff for all ages.	They could maybe add more picnic areas.
F25-34	#290	Four or more visits a month	Moderately satisfied	They are cleaner and safer than the other parks in the other cities.	There could be more parking in the areas where they have sporting events.
F25-34	#304	About one visit a month	Very satisfied	They are clean, updated and safe for the kids to go to.	I don't know of any.
F25-34	#308	Two to three visits a month	Moderately satisfied	They keep them really clean.	I would like them to start building the park on Zandon and New Castle in the southern area of town.
F25-34	#311	Two to three visits a month	Very satisfied	I like that they're clean and that the area is safe for the kids. The equipment is safe. I've held birthday parties for my daughter and her friends there.	The Landon building is fine. That is not the problem. I've noticed something and other parents I have talked to think this, too. The park that is by Foxboro School, off Ruby and Opal Streets, has no crosswalks, and that is kind of strange. Obviously, there are no crosswalks, and the kids have to cross the street. One other thing is the security. Some of the other moms and I noticed that the park beside the George Duke Center is on a hill. After 4PM or 5PM, lots of older kids go there and smoke. It's at those times they seem to hang out at that spot to smoke.
F25-34	#314	Four or more visits a month	Very satisfied	I like the cleanliness and general appearance.	I don't know.

F25-34	#316	Two to three visits a month	Moderately satisfied	I like the parks that have trees and picnic tables. The hiking trails are important to have balance, but parks that have only baseball fields or soccer fields are not public parks because their purpose is for the fields.	I'd like a park closer to my house. The nearest one is about five miles away. It has mostly soccer fields, so it is no real use for me.
F25-34	#329	Two to three visits a month	Moderately satisfied	They keep the parks up. They do maintenance.	They need more restrooms at the parks.
F25-34	#348	About one visit a month	Moderately satisfied	I like that they do events that involve families. I just wish they would get rid of all the bums so it's safer for the kids than it is now.	There could probably be more for the children, like a better playground. It should be something safer and more fun. It could perhaps be a gated area so you can protect your kids.
F35-44	#2	Four or more visits a month	Moderately satisfied	Don't know.	There could be better upkeep of the baseball fields, not at the Centennial Park but the ones in Arlington and Keating.
F35-44	#11	Two to three visits a month	Moderately satisfied	There are a lot of local parks close to home and in walking distance.	The biggest issue is people taking dogs to parks and not cleaning up after them.
F35-44	#21	Four or more visits a month	Very satisfied	There's enough of them and they are maintained well.	There should be more lighting.
F35-44	#29	Two to three visits a month	Moderately satisfied	There are a good number of them and each one is a little different. There are spots to rest and different things to play on.	There could be bathrooms for some of the bigger parks and maybe a little more cleanliness.
F35-44	#45	Two to three visits a month	Moderately satisfied	It is the variety.	That would be continuation of the variation of activities that were offered.
F35-44	#50	Four or more visits a month	Very satisfied	I am extremely pleased with the way they keep up the park.	There are none.
F35-44	#76	Four or more visits a month	Moderately satisfied	They are probably convenient to get to.	I can't think of anything.
F35-44	#89	Two to three visits a month	Moderately satisfied	It is the fact that they have a play area for very young children.	They could add more swings at Ridgeview Park. It would then be more like the park right across from VacaValley Hospital.
F35-44	#99	Less than one visit a month	Moderately satisfied	I like the wide variety available.	Security improvements would be good.

F35-44	#100	Four or more visits a month	Very satisfied	I like the diversity. There is so much that you can do like skateboarding and dog walking.	I like another dog park if at all possible or improvement to the one we have. The one we have is made of wood chips. I notice that it hurts the dog's feet. It would be nice to have a park with grass.
F35-44	#109	Two to three visits a month	Moderately satisfied	The facilities are very clean and well-maintained.	The Keating Middle League Baseball Field needs to be upgraded in all aspects, like in field, out of the field, grass, pitchers mounds and et cetera. The scoreboard also needs to be replaced with something that actually works.
F35-44	#110	Four or more visits a month	Very satisfied	I'm going to say that they are clean and well-lit.	I have no idea.
F35-44	#117	About one visit a month	Very satisfied	I like how comfortable it all is and how it feels like it should feel in the park. The landscaping is good. There's just the right amount of picnic tables for everyone.	They could probably use a few more picnic tables on the lawns and more barbecue pits.
F35-44	#146	Two to three visits a month	Very satisfied	They are mostly in an open area.	Something needs to be done with Andrew Park and the festivities that happen down there. They could improve traffic control.
F35-44	#149	Four or more visits a month	Very satisfied	I like that they are close to us. It is easy access to us.	The Three Oaks facility needs to be updated. It is ugly.
F35-44	#153	Four or more visits a month	Moderately satisfied	The one that we go to is close to home. It is within walking distance. It needs to be more oriented toward younger children. There can be more dog parks.	I would like them to put more play structures for the younger children. My kids are two to five years old.
F35-44	#160	Four or more visits a month	Very satisfied	I like the variety and location. It is spread throughout the city.	I don't want to have any. It will cost tax dollars. It is good the way it is.
F35-44	#191	No visits in last six months	Moderately satisfied	They have the booths that I like. The food is good. It felt hot and spicy. The music is a little loud, but I can put in an ear plug.	I would hate to see the parks gone. I am off work and just can't answer the question right now.
F35-44	#200	Two to three visits a month	Moderately satisfied	There are a variety of things for the people to do no matter what age range they belong to. There is great availability.	There could be more neighborhood parks in the newer developments.

F35-44	#205	Less than one visit a month	Very satisfied	It is how close it is to where I live. I love how it has a dog park.	I don't have an opinion.
F35-44	#214	Less than one visit a month	Moderately satisfied	They are very clean and peaceful. They are also strategically placed about the city with a good variety of things to do.	The restrooms need to be better monitored and maintained, especially during large events. They get dirty and run out of supplies.
F35-44	#255	Two to three visits a month	Very satisfied	I would say the upkeep of them and the convenience of them. Everywhere you go there is a park.	They need more baseball fields.
F35-44	#257	Two to three visits a month	Very satisfied	They are always clean, and they always have activities for kids to do.	I don't know.
F35-44	#260	Four or more visits a month	Moderately satisfied	They are usually kept clean and they keep on the graffiti which is a huge issue.	Maybe a dog park, because a lot of people have dogs.
F35-44	#263	Two to three visits a month	Moderately satisfied	They are clean and safe.	I'd like to see no more housing.
F35-44	#265	Less than one visit a month	Moderately satisfied	I usually go to the one close to my house and I really like it. I think it's well kept.	I don't know.
F35-44	#274	Two to three visits a month	Moderately satisfied	I like the trails.	The bathrooms need doors for the stalls. The flooring needs to be new.
F35-44	#333	Four or more visits a month	Very satisfied	Don't know.	I would just like to see them keep the playgrounds looking new. There tends to be broken parts and chipped paint.
F35-44	#334	Less than one visit a month	Very satisfied	I like the variety of parks to choose from. They're available in all neighborhood areas. They're dog and child friendly.	They could have more restroom facilities.
F35-44	#365	Less than one visit a month	Moderately satisfied	I like the Andrews Park for picnics. You can party there.	I would like to see a gymnasium, swimming pool, hot tub and sauna.
F35-44	#367	Less than one visit a month	Moderately satisfied	They are pretty kept up, modern and up-to-date. They are in good condition.	I can't think of it.
F35-44	#369	Four or more visits a month	Very satisfied	I like the cleanliness.	There's nothing I can think of right now.
F35-44	#379	Two to three visits a month	Moderately satisfied	I like how they do the lawn, bushes and trees. They are very well maintained.	I would like more bathrooms and cleaner ones.

F45-54	#5	Less than one visit a month	Very satisfied	I like the availability. When my son was young, we used it all the time, about once a month. It is clean, family oriented and neat. The animal park could use some bathrooms. Andrew's Park is wonderful and has good bathrooms. Overall, they keep the lawns clean and free of weeds. We like the walking trails and the neighborhood parks.	There are none that I'm aware of at this time.
F45-54	#13	Two to three visits a month	Very satisfied	I like the accessibility the neighborhood parks have.	In the park nearest to us, there is a high demand for covered picnic areas for when we have a church activity or something. Many people get upset when it is occupied and there are no other places to use.
F45-54	#18	Four or more visits a month	Very satisfied	I like the open grass areas.	It is to have ore public restrooms.
F45-54	#24	About one visit a month	Moderately satisfied	I like the walking trails. More water options would be nice, like swimming and boating.	It is to preserve historic sites.
F45-54	#26	Less than one visit a month	Moderately satisfied	There are enough neighborhood parks available.	I would like to see more restrooms at the neighborhood parks.
F45-54	#36	About one visit a month	Moderately satisfied	I like the spaciousness and the cleanliness, with a good amount of space for kids and space for teenagers as well and the pools.	There could be more hiking trees, more trees and greenery, more lighting and biking trails.
F45-54	#56	About one visit a month	Very satisfied	I can go through there. No one bothers me while I am there. Everyone can have a good time.	I don't really know.
F45-54	#59	Four or more visits a month	Moderately satisfied	I like biking a lot, and there seems to be a fair number of neighborhood parks.	There should be more bathrooms when you take your kids to the park. There are very few bathrooms at some parks.
F45-54	#61	Four or more visits a month	Very satisfied	I like most the locations, the amenities and the safety.	I don't know.
F45-54	#63	No visits in last six months	Very satisfied	They are accessible.	Nothing is coming to mind.
F45-54	#66	Four or more visits a month	Very satisfied	The city as a whole is a family or community.	Natural playscapes should be considered.
F45-54	#67	Four or more visits a month	Moderately satisfied	Don't know.	There should be better parking at Lagoon Valley.

F45-54	#77	Four or more visits a month	Moderately satisfied	I don't go to the ones that are planned and concrete. I got to Lagoon Valley which was very natural. It has natural dirt trails and hills. That is what I like.	I would like to see more natural park environments where it is not a concrete jungle.
F45-54	#82	Four or more visits a month	Very satisfied	The fields are well maintained in general. They are a great place to go with the kids and get exercise.	It would be the restroom again. A lot of the parks do not have bathrooms.
F45-54	#87	No visits in last six months	Moderately satisfied	There are areas that the city tries to sponsor to bring the city together. They try to provide places for people to go and walk in.	I can't think of anything at the top of my head.
F45-54	#88	Two to three visits a month	Moderately satisfied	I like that we have them. I don't know what I like best, but I use it a lot. I like that it is available and clean.	They could improve the bathrooms.
F45-54	#95	Four or more visits a month	Moderately satisfied	I like where they are located. However, I don't like the parking lots. They aren't adequate.	It would be the dog park availability.
F45-54	#96	Four or more visits a month	Very satisfied	I am glad that they have them.	Refused.
F45-54	#97	No visits in last six months	Moderately satisfied	They are available. They have the lighting that it is there for the kids. They keep it mowed and well maintained.	They should remove the glass from the parks as well as barks. It would be nice to have a swing at Nelson Park.
F45-54	#103	Four or more visits a month	Very satisfied	The facilities could use a little upkeep. Maybe, they could get them painted and have some renovation. There is nothing specific that I like other than the outdoors.	I would like to see more activities available for older single adults without children and for older people who are not yet seniors. It seems like there are a lot of activities for people who are considered youth or seniors. However, there are not a lot of activities for people in the middle age ranges.
F45-54	#105	Two to three visits a month	Don't know	That would be green grass and good lighting.	That would be covered areas in case of quick rain or weather mishaps.
F45-54	#108	Two to three visits a month	Very satisfied	Don't know.	More restrooms would be nice.
F45-54	#111	Two to three visits a month	Moderately satisfied	I like the Centennial. It is clean and quiet. There is limited access. It is easy to get there.	So far, that would be more tennis courts and soccer fields.

F45-54	#112	Four or more visits a month	Moderately satisfied	I go to the parks with my grandkids sometimes. They seem to be clean and well-maintained. They have quite a variety of things for the kids to do.	I would like to see small dog parks and large dog parks included within the city limits. Those should be more centrally located for people to be able to walk to them with their dogs.
F45-54	#121	No visits in last six months	Moderately satisfied	The locations are convenient. For the most part, they are clean. The lawns are mowed and stuff.	There are a few parks that need public restrooms.
F45-54	#124	About one visit a month	Moderately satisfied	It is really nice.	I don't know.
F45-54	#140	Less than one visit a month	Very satisfied	They are very pretty, well maintained and accessible.	They could have more lights for safety and have it better lit.
F45-54	#142	Four or more visits a month	Very satisfied	I like the fact that it is a place where you can participate in numerous activities. I enjoy the beautiful playgrounds, the hiking trails and nature.	The bathrooms are always either locked or opened. It is difficult when you have children who want to go.
F45-54	#151	Less than one visit a month	Not very satisfied	Don't know.	There could be more playgrounds for the kids.
F45-54	#155	Four or more visits a month	Moderately satisfied	Don't know.	The rest rooms could be improved.
F45-54	#156	About one visit a month	Very satisfied	Most of the time, the parks are pristine. They are the jewels of Vacaville.	Keeping them as part of our community is very important.
F45-54	#164	Less than one visit a month	Moderately satisfied	The grassy area is too muddy.	They could have more rest rooms.
F45-54	#176	Two to three visits a month	Very satisfied	It is the cleanliness. The parks and the facilities are all well maintained. The security is always around. I like that.	I would like to see them add more swimming pools.
F45-54	#185	Two to three visits a month	Very satisfied	They are affordable, accessible, well lighted, well patrolled by the Vacaville police department, comfortable, and safe.	We could have a fishing facility or lake.
F45-54	#192	Less than one visit a month	Moderately satisfied	It would be the maintenance of the grass and the city's commitments to keeping parks in town.	There could be improvements to the bathrooms and accessibility.
F45-54	#196	Four or more visits a month	Moderately satisfied	I like open space for walking such as grass courts, tennis courts and dog parks.	I would like a dog park within the city limits.
F45-54	#201	Less than one visit a month	Very satisfied	We have them and they are kept fairly nicely.	They need more rest rooms.

F45-54	#209	Less than one visit a month	Very satisfied	It is pretty much that they are very well maintained.	They could probably improve the bathroom facilities at Centennial Park. I don't want porta potties anymore.
F45-54	#211	Four or more visits a month	Very satisfied	They offer a lot of programs for children. The older kids have the sports activities. For the seniors, they offer places to go for walks. They have a lot of things for everyone to gather and play, and join in family activities.	I have none.
F45-54	#237	Two to three visits a month	Very satisfied	They are all very nice and safe.	I can't think of one.
F45-54	#250	Four or more visits a month	Very satisfied	If you were signing up for recreational sports, they have coaches after school. My daughters did that at Elmo. Ms. Meva is the best. I don't know what the procedure is for hiring, if they do background checks, but they always seem to have the best staff for whatever activities that we sign up for.	Another pool facility.
F45-54	#252	No visits in last six months	Very satisfied	Don't know.	I don't really have any suggestions.
F45-54	#253	Four or more visits a month	Very satisfied	I like the programs they have during the summer times and activities	I'm okay with what they offer now.
F45-54	#259	Less than one visit a month	Moderately satisfied	I like how clean they are. I very much appreciate how clean they are, especially where the low income housing is.	I would like to see Vacaville have more walking areas facilitate more people to get out of their cars and perhaps more small area dog parks. There is only one out in Lagoon Valley. It is the only dog park that I know of. It would be nice to have a couple smaller ones within the city.
F45-54	#267	Two to three visits a month	Very satisfied	I like how clean and maintained the parks are and how it adds beauty to the neighborhoods. They offer a lot of activities for all age ranges.	They could have more playground equipment.
F45-54	#325	Less than one visit a month	Moderately satisfied	People tend to say that they are satisfied with the parks.	I don't know because I haven't really visited the parks.
F45-54	#327	Two to three visits a month	Very satisfied	I like the playground equipment for younger kids.	I don't think I would really do anything.

F45-54	#345	Less than one visit a month	Moderately satisfied	I don't know what I like most, but I'll tell you what I like least. There are not enough bathrooms. They don't have bathrooms in most parks.	I would like public restrooms or any restroom.
F45-54	#346	Less than one visit a month	Very satisfied	I like the accessibility.	Everything is good.
F45-54	#347	Four or more visits a month	Moderately satisfied	There is a variety of things we can do. They are close and within a walking distance. They are maintained but could be more maintained. I have a trail to run on that takes me all the way through the city. Vacaville has a level of recreation to maintain for the city.	Mostly, it would be for them to keep the graffiti off of the bike path and make it a regular priority to maintain. The more the graffiti, the more it happens. The more it is maintained, the less it happens.
F45-54	#366	Four or more visits a month	Very satisfied	I like the walking tracks.	There could be a better dog park.
F55-64	#9	Two to three visits a month	Very satisfied	I like the one that has walking paths and nice landscaping.	It is just expansion.
F55-64	#12	No visits in last six months	Don't know	I don't use them.	There are none that I can think of.
F55-64	#127	Four or more visits a month	Moderately satisfied	I like the hiking and the swimming.	They could have more improvements in the parking. People tend to overflow into neighborhoods when they park and that is important. No one cleans up the neighborhoods.
F55-64	#133	Two to three visits a month	Moderately satisfied	I like being able to go out into fresh air and the quietness you can find in a park. Some parks have done a little extra flowers and I enjoy that. I would like to see the children be more involved in the development.	The bathrooms should be made differently because they are not safe.
F55-64	#134	Four or more visits a month	Very satisfied	I like the convenience of the park and it is child oriented.	They could improve the parking.
F55-64	#154	Two to three visits a month	Very satisfied	There are very family oriented.	Maybe they could have another pool which is a small one.
F55-64	#163	Four or more visits a month	Very satisfied	I like the playground and the openness.	They are fine the way they are.

F55-64	#168	Four or more visits a month	Very satisfied	I like the natural things that they put in the parks like the trails and the Creekwalk. It is very beautiful and peaceful versus the bright lights at the field parks.	There could be more trees in the parks and quiet spots.
F55-64	#179	About one visit a month	Very satisfied	I like the locations.	I have no opinion.
F55-64	#182	Less than one visit a month	Very satisfied	It would be the cleanliness and security of the parks.	There are none. They are doing a great job.
F55-64	#189	About one visit a month	Very satisfied	I like the way they are maintained with law authorities present most of the time.	I would like more parking at Andrew's Park.
F55-64	#198	No visits in last six months	Very satisfied	They are family friendly. There is somewhere to take my kids.	I would like to see more picnic areas and things the kids could enjoy like playgrounds.
F55-64	#206	About one visit a month	Very satisfied	I like the fact that they are well maintained and there are so many local parks.	I don't have an answer for that.
F55-64	#212	Less than one visit a month	Moderately satisfied	There is nothing.	I don't know.
F55-64	#219	Four or more visits a month	Very satisfied	They are all very well maintained.	I would like to see bathrooms for the small parks.
F55-64	#220	About one visit a month	Very satisfied	They are pretty clean. I don't see a lot trash around.	They all look pretty good.
F55-64	#230	About one visit a month	Moderately satisfied	I like the fact that they seem to be very clean. There is a number of them available.	I would like to see more outdoor trails and more physical activity trails.
F55-64	#236	About one visit a month	Very satisfied	They're well-maintained and kept up. They are readily accessible.	The restroom facilities could be updated. There could be more parks for kid's football and youth activities.
F55-64	#268	No visits in last six months	Moderately satisfied	I like the locations they're at.	They could have more restrooms maybe.
F55-64	#270	About one visit a month	Moderately satisfied	I like that they do have a lot of trees and that there are areas for walking your dog.	I'd like to see bathroom facilities that you feel safe in and are being maintained.
F55-64	#324	Don't know	Very satisfied	Don't know.	There are none.
F55-64	#326	Less than one visit a month	Very satisfied	The trees are my favorite. They should stop developing the land and letting people move here.	I don't use them anymore.
F55-64	#344	No visits in last six months	Don't know	They seem to be well maintained.	I can't really say.

F55-64	#380	Less than one visit a month	Very satisfied	I like the playground areas for kids.	Back to the skate park idea, it would be nice if they had a place for kids to do that.
F65+	#3	About one visit a month	Very satisfied	They are convenient and nicer.	I don't know of any right now.
F65+	#8	No visits in last six months	Moderately satisfied	I enjoyed the pool and being able to exercise. Lately, I haven't been able to go.	I really don't know. I haven't thought about it.
F65+	#14	Less than one visit a month	Moderately satisfied	They are nice to go to sit down and enjoy. I love going to the band concert on Friday night. I help plant the flowers and bulbs in the park.	I have no idea what they could do.
F65+	#15	Less than one visit a month	Moderately satisfied	They are well kept.	I would hope they would have safe restrooms for kids to go into.
F65+	#22	Two to three visits a month	Very satisfied	Don't know.	They should make sure the restrooms are in good order.
F65+	#23	Less than one visit a month	Very satisfied	I like it that they have the baseball fields and playgrounds for the kids. At the downtown in the summer, they have music and et cetera for everyone.	They have lots of parks and tracks around them and stuff like that. I don't know if they need improvement or anything.
F65+	#25	Two to three visits a month	Very satisfied	I like it that there are so many. They should keep it clean and well-maintained.	I have no idea.
F65+	#28	Four or more visits a month	Very satisfied	What I like most is I like to walk, have a picnic and have a birthday party. A friend of mine had one, but I couldn't attend. It would be things like that. That's what I enjoy most, like picnics. I like watching the grandkids because they like playing baseball. I like having fun all week long.	It's okay as it is, so I don't know. I'm not going to disagree on that one way or another.
F65+	#38	Less than one visit a month	Moderately satisfied	it is the availability of walking and resting a little every couple of yards. I also like being able to go and have a picnic whenever I want.	I don't go often enough to have an opinion. I'm rather homebound, so I cannot say.

F65+	#256	Less than one visit a month	Moderately satisfied	I don't care for them because I don't vote. I'm too old for them.	I'm just not interested in that.
F65+	#262	About one visit a month	Moderately satisfied	I like the availability. It's almost every neighborhood. That's what I like about it.	I would like to see more land and water fountains for you to get a drink.
F65+	#264	Less than one visit a month	Moderately satisfied	I love the parks at Andrew Downtown. The dog park is not kept well maintained. We need more dog parks.	We just need another dog park closer to where I live.

F65+	#271	No visits in last six months	Very satisfied	They're kept up very well.	I think we have to hold until we get more money and houses moving in.
F65+	#328	Less than one visit a month	Very satisfied	I like the fact that they are open to everyone and seem to be well occupied.	I really can't answer that. I don't see enough of them.
F65+	#336	About one visit a month	Moderately satisfied	They keep them clean and pretty safe for the kids.	In the corner of Buck and Alamo, they need public restrooms. That's the only thing that should be done for the parks.
F65+	#372	No visits in last six months	Moderately satisfied	They are very nice. You can go when you really want to.	I don't know.
F65+	#376	About one visit a month	Very satisfied	They're really nice, but I don't visit many except the ones I do go to.	I have no idea.

M25-34	#183	Two to three visits a month	Yes	Oppose	Taxes are horrible.

GENDER & AGE?	ID#	Q2. FREQUENCY OF VISITING VACAVILLE PARKS?	CHILDREN 17 OR YOUNGER?	POSITION ON EXTENDING MEASURE I?	Q19. REASONS FOR YOUR POSITION ON EXTENDING MEASURE I?
M25-34	#410	Four or more visits a month	Yes	Favor	Everybody has to put something into it if they want to or not. A community is only as strong as each individual. In order to make our community strong and whole, we have to do something and give back.
M35-44	#6	Four or more visits a month	No	Favor	All of those that you mentioned on that thing tonight are physically seen as improvements on the town. If you enjoy them, it's obvious. I've seen shows at the Performing Arts Center. I use the Aquatic Center.
M35-44	#17	Four or more visits a month	Yes	Favor	It is currently in motion, so keep it in motion. I like all the programs offered.
M35-44	#27	Less than one visit a month	Yes	Favor	I want my roads to be smooth. They are jacked up in this town.
M35-44	#41	Four or more visits a month	Yes	Favor	It is important for the community. It is really not a large tax anyway.
M35-44	#42	Four or more visits a month	Yes	Oppose	Without knowing much about the law, I would be making some assumptions.
M35-44	#68	Less than one visit a month	No	Neutral	I think there is enough tax coverage.
M35-44	#69	Four or more visits a month	Yes	Favor	I would like to continue to add to the parks system and the roads.
M35-44	#78	Two to three visits a month	Yes	Favor	If I am already paying it now, I am not missing it. They seem to be doing a good job with the maintenance. That is why I favor it.
M35-44	#86	Four or more visits a month	Yes	Favor	I support all the programs. I am not opposed to paying all those fees.
M35-44	#92	Less than one visit a month	Yes	Oppose	This city lies and cheats its community already. They don't need any more money.
M35-44	#93	Two to three visits a month	Yes	Neutral	It seems to work so far.
M35-44	#94	Two to three visits a month	No	Oppose	The city needs to utilize their funds toward street maintenance rather than building more. In these financial times, people need all the help they can get and not more taxes.
M35-44	#107	Two to three visits a month	Yes	Neutral	It is because in 2013, I don't know if I will still be living here.
M35-44	#114	Four or more visits a month	Yes	Favor	All of the citizens need these facilities for cultural and historical use. All of these facilities are used for community events. The youth performing group also uses these facilities for musicals, plays and choir groups. There are music groups. There is a wide range of uses for these facilities for our senior citizens and for our youth.
M35-44	#115	Four or more visits a month	Yes	Neutral	We don't need any more taxes for programs.
M35-44	#129	Four or more visits a month	Yes	Favor	We use the parks. I don't have any problem with funding them.
M35-44	#249	Four or more visits a month	No	Neutral	I would have to study it more.
M35-44	#261	About one visit a month	Yes	Favor	I'd favor to continue funding for the programs.
M35-44	#278	Four or more visits a month	No	Favor	The parks and senior programs are good. I might be moving away and moving back in the future so that it won't be taking my taxes.
M35-44	#281	No visits in last six months	No	Oppose	They should have calculated it better and have had it completed.
M35-44	#282	Four or more visits a month	Yes	Favor	They need to keep funding the things that the city is already doing.
M35-44	#306	Four or more visits a month	Yes	Favor	We are already paying it. I wouldn't mind still paying it to make sure we have good services.
M35-44	#310	About one visit a month	No	Favor	It would be an overall improvement to the entire city and to keep my property's value up.
M35-44	#318	Two to three visits a month	Yes	Favor	I do not know much about it.

M35-44	#323	Four or more visits a month	Yes	Neutral	Don't know.
M35-44	#341	About one visit a month	No	Neutral	I would need more details on the tax measure before I could decide.
M35-44	#343	Four or more visits a month	Yes	Oppose	The economy in the city is hurting. They are taking too much taxes. They should let the people have the money and decide what to do with it.
M35-44	#363	Two to three visits a month	Yes	Favor	It is just so it keeps growing with operation. That's what needs to happen.
M35-44	#378	Four or more visits a month	Yes	Favor	It would be to help the community out.
M35-44	#382	Four or more visits a month	Yes	Oppose	They squander money. It is wasteful spending.
M35-44	#384	Four or more visits a month	Yes	Favor	I would assume at one point that they are going to fix up other parks except those two.
M35-44	#395	Four or more visits a month	No	Favor	People need more things to do, especially seniors.
M45-54	#20	About one visit a month	Yes	Neutral	I have to see what they are asking for and what they are willing to spend to make a decision.
M45-54	#30	No visits in last six months	No	Favor	I like the way things are maintained now and the easy access. It's a very clean city.
M45-54	#31	Four or more visits a month	Yes	Oppose	First, I don't know how much the tax is. I would prefer donation offering.
M45-54	#32	Two to three visits a month	Yes	Oppose	Like I said, if money is going to be allocated, I would like it to go to those who cannot afford what the city has to offer. They have to drive some distance and actually I don't like the way Vacaville has things planned. In some areas, they have some things within blocks, but here they are scattered all over with long distances. It's a lot less for me going there. I'm a man of accessibility to those who wouldn't go than the one's who cannot. I will always support that.
M45-54	#39	No visits in last six months	No	Oppose	It is because we are paying too much taxes already.
M45-54	#47	Four or more visits a month	Yes	Favor	It is because if we want to use the facilities, we have to pay for them. They don't come out of thin air. It is the same for the police, fire and street departments.
M45-54	#51	Less than one visit a month	No	Neutral	Vacaville has sufficient amount of recreational activities. I am not too happy of how it is going now.
M45-54	#55	Less than one visit a month	No	Oppose	They don't need that.
M45-54	#57	No visits in last six months	Yes	Neutral	The money has to come from somewhere. I realize that things cost money, whatever it may be.
M45-54	#65	Less than one visit a month	No	Neutral	I don't mind the taxes for maintenance, but I don't want additional facilities.
M45-54	#71	Less than one visit a month	No	Neutral	I don't know the details.
M45-54	#80	Two to three visits a month	No	Favor	If I was getting taxed already for it, we should just continue paying it to maintain our facilities.
M45-54	#83	Less than one visit a month	No	Favor	Stuff like that is good for the community.
M45-54	#106	Less than one visit a month	No	Favor	Don't know.
M45-54	#113	No visits in last six months	No	Favor	We need those important amenities.
M45-54	#118	No visits in last six months	No	Oppose	If it is for expanding, then I would say no. If it was for maintenance, then I would favor.
M45-54	#152	About one visit a month	Yes	Favor	A lot of people use the programs.
M45-54	#157	Less than one visit a month	No	Neutral	Don't know.

M45-54	#158	No visits in last six months	Yes	Oppose	We pay enough taxes. We even pay taxes for the buildings that we need to utilize.
M45-54	#167	Four or more visits a month	No	Oppose	I talked to Kitskies and they did a terrible job. It was appalling for the taxpayers. There are quite a few people who feel that way. When they reach out to the public and they are going to build a high school, but the demographic isn't there and they don't do it, it isn't a good way to treat the taxpayers. It is a shame. Fundamental honesty is what it is.
M45-54	#172	Four or more visits a month	No	Favor	It is a tough call. We have to prepare for more growth. We will probably fund for more in the future.
M45-54	#175	About one visit a month	No	Favor	I like the community center a lot, the hiking trails and the places for the children to play. It makes it a happier community.
M45-54	#203	Two to three visits a month	Yes	Favor	I like the very good appearance of the city. They are taking care of the city.
M45-54	#207	Two to three visits a month	Yes	Favor	Don't know.
M45-54	#208	Four or more visits a month	Yes	Oppose	They have enough.
M45-54	#215	Four or more visits a month	No	Favor	If it stays the same, it would be a great help to the city. It helps community centers, road maintenance, etc. Those are the things I approve of.
M45-54	#218	Four or more visits a month	Yes	Favor	We would need adequate funding to run these operations. People are already used to it, so they should keep it running. If they stop the funding and try to enforce it at a later time, it is going to be harder to do. It is better to just leave it well enough alone.
M45-54	#223	Two to three visits a month	Yes	Favor	My kids are growing up here and they are taking advantage of all of these things.
M45-54	#224	Four or more visits a month	No	Favor	If we don't have the funding, we would have to cut things out like the centers. This is a small town and we don't have a whole lot already.
M45-54	#229	No visits in last six months	Yes	Favor	The city has to maintain and keep that base up to provide if the city wants to grow.
M45-54	#235	About one visit a month	No	Favor	You definitely have to maintain what you have. If you don't, it undermines the city's park systems.
M45-54	#254	About one visit a month	No	Favor	It helps the community grow and makes crime less likely when the youth have things to do.
M45-54	#273	Two to three visits a month	No	Favor	They need to keep it up. I like what they are doing.
M45-54	#275	Less than one visit a month	No	Oppose	They have to manage their money better. You can't keep on taking money from people when they can't afford any more to live in Vacaville.
M45-54	#276	Less than one visit a month	Yes	Neutral	That would mean I would have to continue paying the tax, which is okay.
M45-54	#277	Four or more visits a month	Yes	Favor	The city needs those types of services.
M45-54	#284	Four or more visits a month	No	Neutral	I don't know how much the tax is.
M45-54	#291	No visits in last six months	Yes	Oppose	We need to spend more money on the street than anything else.
M45-54	#292	Four or more visits a month	No	Oppose	The state steals enough money in what they call taxes.
M45-54	#293	Two to three visits a month	Yes	Favor	There are enough cuts going on right now. This benefits the many.
M45-54	#294	Less than one visit a month	No	Neutral	I don't have enough information now to make any judgments.

M45-54	#295	About one visit a month	No	Favor	If I'm already paying the tax, I'm not missing that money. If it is already in place and I'm already paying that tax, I would prefer that over having the tax expire and get relaxed. If it is there already, then it is fine.
M45-54	#296	Two to three visits a month	Yes	Oppose	Money is tight. I don't think we should be spending any money.
M45-54	#303	Four or more visits a month	Yes	Favor	What they've been doing has been pretty good, like with the community center and the library. They need to keep it up because the kids here have nothing to do.
M45-54	#305	Less than one visit a month	No	Oppose	We do enough at this point in time. People are having difficulty with their finances as is. Lessening that tax would be better.
M45-54	#309	Four or more visits a month	Yes	Oppose	There are too many taxes.
M45-54	#312	Two to three visits a month	No	Oppose	I'm not using the facilities, so it doesn't matter.
M45-54	#313	About one visit a month	No	Neutral	I want to have more information about it.
M45-54	#317	About one visit a month	No	Neutral	I don't have enough information.
M45-54	#320	Four or more visits a month	No	Favor	Don't know.
M45-54	#322	Less than one visit a month	No	Neutral	I have conflicting feelings toward taxes and benefits.
M45-54	#337	Less than one visit a month	No	Neutral	Don't know.
M45-54	#338	Four or more visits a month	Yes	Favor	I utilize a lot of the programs.
M45-54	#342	Two to three visits a month	Yes	Favor	It was in place when I moved here, so I really don't know any different. It's good for the community.
M45-54	#352	Four or more visits a month	No	Oppose	They have the money they need to keep those things maintained. They are wasteful and don't use the money wisely.
M45-54	#358	Four or more visits a month	No	Neutral	It is just to see how it will come, like whether in a bond measure or not, how much will be allocated, what projects the funding will be for and so on.
M45-54	#360	Two to three visits a month	Yes	Favor	Stuff need to get fixed, and everything needs repairs. Everything is going to need maintenance. If the tax isn't there, then where are we going to get the money from?
M45-54	#364	Two to three visits a month	Yes	Oppose	They have their fair share of money, and taxes are high enough already.
M45-54	#370	Two to three visits a month	Yes	Favor	They are doing a good job. Without it, I don't think Vacaville would be where it is.
M45-54	#373	No visits in last six months	No	Neutral	I've only been here for less than a year. I've been working most of the time and never really had the chance to venture out.
M45-54	#377	Less than one visit a month	No	Oppose	That's enough taxes being taken away already.
M45-54	#383	Four or more visits a month	Yes	Neutral	The community center isn't used as much as it is paid for.
M45-54	#387	Less than one visit a month	Yes	Favor	I like the mix of city sponsored parks and sport activities. There is room for improvement, but if they don't renew the tax, I don't see how they are going to be able to continue supporting these programs.
M45-54	#398	Two to three visits a month	No	Favor	That was also for street maintenance and to allocate more open space and trails.
M45-54	#400	Four or more visits a month	No	Oppose	I'm opposed to any increase in taxes.
M55-64	#33	No visits in last six months	No	Oppose	The general public is having a difficult time right now. In general, people don't have the money. It not logical, maybe they have good jobs but the general public cannot fund this anymore. I hope it expires.

GENDER & AGE?	ID#	Q2. FREQUENCY OF VISITING VACAVILLE PARKS?	CHILDREN 17 OR YOUNGER?	POSITION ON EXTENDING MEASURE I?	Q19. REASONS FOR YOUR POSITION ON EXTENDING MEASURE I?
M55-64	#53	About one visit a month	No	Favor	It is because of the benefits we get from it and what that tax supports.
M55-64	#58	Two to three visits a month	No	Oppose	We are already taxed enough.
M55-64	#60	Less than one visit a month	No	Favor	I believe this community needs those funds. Otherwise, we lose the infrastructure built in to accommodate new growth.
M55-64	#116	No visits in last six months	No	Favor	It's something we are paying already and it's not going to hurt.
M55-64	#119	Two to three visits a month	Yes	Oppose	In 1988, they said they would tax to build it and they would impose the tax for 25 years. Now, they want to come after my money again. It is a forever tax. They should have called it a permanent tax in 1988.
M55-64	#120	About one visit a month	Yes	Favor	We need to maintain the facilities that we have built. My kids played at Centennial Field.
M55-64	#125	Less than one visit a month	Yes	Favor	Don't know.
M55-64	#143	Two to three visits a month	Yes	Neutral	I am in favor of maintaining the facilities we now have but not increasing it.
M55-64	#148	Two to three visits a month	No	Oppose	When the bill came out, they should have asked for the money then and not more.
M55-64	#161	Two to three visits a month	No	Oppose	I don't believe that the city of Vacaville or any city for that matter can manage money very well, so until they can learn to manage the money correctly, I won't vote for any funding.
M55-64	#169	Less than one visit a month	No	Neutral	It is really tough right now for a lot of people. We can't afford a new tax.
M55-64	#170	No visits in last six months	No	Oppose	I don't think they need any more tax money.
M55-64	#174	Don't know	No	Oppose	We need to economically structure ourselves and build it. We need to go back to building the city.
M55-64	#178	Two to three visits a month	No	Favor	The maintenance is ongoing. It is special.
M55-64	#181	About one visit a month	No	Neutral	We pay a lot already. We are taxed to death. They are not doing anything for us.
M55-64	#193	Two to three visits a month	No	Favor	The money has to come from somewhere and where the economy is, I don't think anyone would step up and volunteer the money for the parks.
M55-64	#210	Less than one visit a month	No	Favor	When I was working and before I retired, I used the performing arts theater extensively.
M55-64	#231	Less than one visit a month	No	Neutral	They are already in use. I can see the area they have designated already. I use the public area and the areas that are already designated and not used enough already. Why should they spend more on it? I don't like taxation. That's why I am neutral. I do not want more taxation.
M55-64	#232	No visits in last six months	No	Oppose	I am against taxing people.
M55-64	#239	Four or more visits a month	No	Neutral	I don't quite know how they would do it.
M55-64	#247	About one visit a month	No	Favor	It's important to keep basic amenities and services running.
M55-64	#330	About one visit a month	Yes	Favor	I know it's good. It's about time.
M55-64	#332	No visits in last six months	No	Neutral	If it goes, it goes. If it doesn't, it doesn't. I'll pay it if it passes because I support the parks, but if it doesn't, it might be nice to get some tax relief.
M55-64	#335	Less than one visit a month	Yes	Favor	Don't know.
M55-64	#351	No visits in last six months	No	Oppose	They need to find private funding.

GENDER & AGE?	ID#	Q2. FREQUENCY OF VISITING VACAVILLE PARKS?	CHILDREN 17 OR YOUNGER?	POSITION ON EXTENDING MEASURE I?	Q19. REASONS FOR YOUR POSITION ON EXTENDING MEASURE I?
M55-64	#353	About one visit a month	No	Favor	It gives kids something to do to stay out of trouble. It mentioned maintaining roads, which I like because I hate potholes.
M55-64	#356	About one visit a month	No	Oppose	The theater center and the Centennial Park can fund themselves.
M55-64	#357	Two to three visits a month	Yes	Favor	It has been working. Everything that I have seen the money used for has been for improvements in the community.
M55-64	#361	Two to three visits a month	No	Favor	There's one thing that can't be done. The city has limited funds to do anything right now. They just settled with the police department with wage cuts. If the economy gets back to where it was, we will be fine.
M55-64	#374	Less than one visit a month	No	Neutral	Don't know.
M55-64	#375	Four or more visits a month	No	Oppose	All taxes are a theft. The tendency of the government is to put a tax in place for a period of time, and then it expires. It then comes up with another reason to extend it and tries convincing the people to use it for another reason. It keeps going on and on. They just keep piling the taxes on you until you can't keep up. It drives you away.
M55-64	#381	Less than one visit a month	No	Neutral	I would have to see where the finances are going to in the city and consider what the economy will be in 2012 and 2013.
M55-64	#388	No visits in last six months	No	Favor	It's important to our society to maintain those facilities.
M55-64	#389	No visits in last six months	Yes	Favor	We need all of those things.
M55-64	#390	Less than one visit a month	No	Neutral	We need to tighten our belts. I am not sure the city can afford to do that.
M55-64	#396	Less than one visit a month	No	Oppose	The money should be put in schools rather than spent on things that don't need to be spent on. The children are more important.
M55-64	#397	Four or more visits a month	No	Favor	We have lived with it this long, and it has been good thus far.
M65+	#19	Four or more visits a month	Yes	Favor	Don't know.
M65+	#34	No visits in last six months	No	Neutral	In Vacaville, we're blessed to have lots of things that other places don't have. If you throw money into too many parks and recreation, we will run out of money for other more important things.
M65+	#35	No visits in last six months	No	Oppose	Businesses cannot survive with a tax that high.
M65+	#40	Four or more visits a month	No	Favor	I can see the importance of those and city funding has decreased. It is to keep those facilities. There is nothing to maintain them right now, like revenue.
M65+	#43	Four or more visits a month	Yes	Favor	It is because we have a good city.
M65+	#132	No visits in last six months	No	Oppose	I am not in favor of extended taxes.
M65+	#135	No visits in last six months	No	Favor	They are necessary improvements.
M65+	#139	Less than one visit a month	No	Favor	Taxpayers need to fund additional services.
M65+	#144	Four or more visits a month	No	Favor	I favor it as long as it doesn't increase but stays the same.
M65+	#171	About one visit a month	No	Neutral	I would like to know what exactly they have in mind for the money because sometimes, things get passed and the money doesn't always get used for what it was originally said to be intended for.
M65+	#177	Two to three visits a month	No	Favor	You have to do something constructive for the kids.

M65+	#184	Four or more visits a month	No	Oppose	The tax payers of Vacaville are overtaxed and those charged with raising taxes should remember that middle class America is struggling financially right now.
M65+	#186	Four or more visits a month	No	Favor	It is only because I think the programs that are going on now should continue.
M65+	#188	No visits in last six months	No	Oppose	I am already being taxed into oblivion. When are the politicians going to get the message? They should quit spending money that the taxpayers and the treasury don't have.
M65+	#194	No visits in last six months	No	Neutral	Don't know.
M65+	#204	Less than one visit a month	No	Favor	I favor anything for the youth and to keep them off the streets and into drugs. If the funding would help, I would be willing to vote yes on that.
M65+	#221	Less than one visit a month	No	Favor	It keeps the quality of the city current.
M65+	#222	About one visit a month	No	Favor	I don't want to pay more but I can afford what I am paying now.
M65+	#227	Less than one visit a month	No	Oppose	I want to spend my own money. I don't want the city spending my money. I want to do my own thing in helping people out.
M65+	#228	No visits in last six months	No	Neutral	I don't know enough about it at this time to make an informed decision about it.
M65+	#233	No visits in last six months	No	Neutral	I would have to think about it. It seems like we're taxed enough.
M65+	#240	Two to three visits a month	No	Favor	Those are all needed by the city.
M65+	#246	Two to three visits a month	No	Favor	Don't know.
M65+	#331	Four or more visits a month	No	Favor	The tax has done a lot of good and should continue.
M65+	#349	Less than one visit a month	No	Favor	Things have worked well over the past few years. I see no reason to discontinue in the future.
M65+	#350	About one visit a month	No	Favor	It's been going for 25 years. Since I've already been paying for it this long, why not keep paying it?
M65+	#355	Two to three visits a month	No	Favor	It does well. We could probably use a little more help if we could get it.
M65+	#392	Four or more visits a month	No	Oppose	We are overtaxed as it is. I can't support adding or continuing any tax until the economy gets better. People are having a hard enough time making ends meet.
F18-24	#74	Two to three visits a month	No	Neutral	Don't know.
F18-24	#98	Four or more visits a month	No	Oppose	I have not seen the improvements.
F18-24	#141	Less than one visit a month	Yes	Neutral	Nobody wants to pay more taxes. If required, I would do that because I don't want to leave Vacaville.
F25-34	#1	No visits in last six months	No	Favor	It is good to help the city and build for the city's needs.
F25-34	#4	Four or more visits a month	Yes	Favor	All of the tax money goes to the prosperity of those things. Without those things for the youth to do, they would be getting into trouble. We need money to go to security and police officers to keep our environment safe. In 1988, one reason that was passed was to put restrooms in parks, but then it never happened.
F25-34	#48	Four or more visits a month	Yes	Favor	My kids play sports, so it is anything to keep parks and sports available for them.
F25-34	#52	Four or more visits a month	Yes	Favor	It is because the money has to come from somewhere.
F25-34	#64	Four or more visits a month	Yes	Neutral	I would need more information on how much it is going to be, what they plan to do with the money and how long the duration of the tax would be.

F25-34	#70	Two to three visits a month	No	Favor	It is good for the community.
F25-34	#73	Four or more visits a month	Yes	Favor	I wouldn't want them to increase the tax but to keep it the same. It would be okay, especially for the streets.
F25-34	#79	Four or more visits a month	Yes	Favor	What is going on now is good. They need to keep doing it.
F25-34	#101	Four or more visits a month	Yes	Favor	My kids use the facilities. It is open to run around. In summertime, they can go to the pool.
F25-34	#165	Four or more visits a month	Yes	Favor	Honestly, with the time that my kids use at the Vacaville facilities, I am willing to pay more.
F25-34	#225	Two to three visits a month	No	Favor	They should keep everything going like it is going. It's working well now.
F25-34	#258	Less than one visit a month	Yes	Favor	It's important to have community things. I'm from the inner city of Ohio, so it's important to have things in the community so the kids have something to do, or they do bad things.
F25-34	#279	Two to three visits a month	Yes	Oppose	Why should we spend money on something we don't need? We should spend money on what we need.
F25-34	#286	Two to three visits a month	Yes	Favor	That is what is needed to keep them going.
F25-34	#287	Four or more visits a month	Yes	Neutral	Where the money is going is what it all depends on.
F25-34	#289	Two to three visits a month	Yes	Favor	It is money we don't see. It is going to a good cause.
F25-34	#304	About one visit a month	Yes	Favor	I favor it so that they can keep up all the parks and add new ones.
F25-34	#311	Two to three visits a month	Yes	Favor	These programs benefit so many people that the more there are offered, the better. They'll keep the youth off the streets and keep them from doing things that aren't good for the community. Even if I have to pay a little more, it is contributing to the overall goodness of to the community. It outweighs the cost.
F25-34	#316	Two to three visits a month	Yes	Favor	We need those services. I would not like to lose them. It is important for Vacaville to keep those services.
F25-34	#329	Two to three visits a month	Yes	Favor	Everyone loves the facilities, so I support this.
F25-34	#348	About one visit a month	No	Favor	Performing arts is important if that is what it needs to keep going. Performing arts is an important culture. That's something we should pay for. I would hate to see that go.
F35-44	#2	Four or more visits a month	Yes	Favor	Don't know.
F35-44	#11	Two to three visits a month	Yes	Oppose	I believe some of the money is being wasted.
F35-44	#21	Four or more visits a month	Yes	Favor	We're already paying it, so why take it away?
F35-44	#29	Two to three visits a month	Yes	Favor	I do like the community and all the programs that they offer as well as the parks. I wouldn't want them to go away.
F35-44	#45	Two to three visits a month	Yes	Oppose	I would like to see what the plan was.
F35-44	#89	Two to three visits a month	Yes	Favor	There is only one theater and the ball parks are scant. The one at Centennial Park is small and needs to be maintained.
F35-44	#100	Four or more visits a month	No	Favor	Your performing arts are very important to the culture of the city. The people would enjoy it if they choose to go.

F35-44	#109	Two to three visits a month	Yes	Neutral	It is primarily because it favors certain facilities rather than focusing on citywide improvement.
F35-44	#110	Four or more visits a month	Yes	Neutral	I don't know what it is going to cost me.
F35-44	#146	Two to three visits a month	No	Neutral	It all depends on where the money is going to come from and where it is going to be taxed from.
F35-44	#153	Four or more visits a month	Yes	Neutral	I have only been here a couple of years. I am still learning things about Vacaville.
F35-44	#160	Four or more visits a month	Yes	Oppose	I don't think that we should be raising taxes in this economy.
F35-44	#191	No visits in last six months	Yes	Favor	It is a good idea to have parks and recreations for the kids.
F35-44	#200	Two to three visits a month	Yes	Favor	I like anything that would improve the community. They could offer more recreational activities. I am in favor of paying taxes for those things.
F35-44	#205	Less than one visit a month	No	Oppose	I would rather it go somewhere else for public safety.
F35-44	#214	Less than one visit a month	Yes	Oppose	I don't favor more taxes. We should be able to maintain the city with the funds we already have.
F35-44	#255	Two to three visits a month	Yes	Neutral	I would need some more information about it.
F35-44	#257	Two to three visits a month	Yes	Favor	If it does get advantages for low income children or elderly, and any programs that give our community things to do, I'm for it.
F35-44	#260	Four or more visits a month	No	Favor	Don't know.
F35-44	#263	Two to three visits a month	Yes	Favor	I want the children to be able to have the sporting activities.
F35-44	#274	Two to three visits a month	Yes	Favor	The parks should stay funded so that they stay maintained.
F35-44	#333	Four or more visits a month	Yes	Neutral	I would have to research that bill. I wasn't living here at the time it was passed, so I would need to check up on it before I voted for it.
F35-44	#334	Less than one visit a month	No	Favor	Those types of services should continue to be offered.
F35-44	#365	Less than one visit a month	No	Neutral	There should be more activities. I have mixed emotions about it.
F35-44	#369	Four or more visits a month	Yes	Favor	It is because of the community services.
F35-44	#379	Two to three visits a month	Yes	Favor	I have grandparents and children who live in this area. I would like to support the activities here.
F45-54	#5	Less than one visit a month	No	Oppose	If it requires more money, I would say no. If it is to keep it the same, then it is fine. No more money. No more taxes. We are dying out here. It is bad when your house needs a new water heater and you can't afford it. You become used to a certain kind of living and can't keep up with it, and it is hard.
F45-54	#13	Two to three visits a month	No	Favor	It is part of what makes Vacaville great.
F45-54	#18	Four or more visits a month	Yes	Favor	I like the current status of things.
F45-54	#24	About one visit a month	No	Favor	I value community services. We should pay for them.
F45-54	#26	Less than one visit a month	No	Favor	It is because of the programs for disadvantaged youth.
F45-54	#36	About one visit a month	Yes	Favor	It's because the tax built a beautiful park.
F45-54	#61	Four or more visits a month	Yes	Favor	I use those facilities and would like to see them stay how they are.
F45-54	#63	No visits in last six months	Yes	Oppose	Don't know.
F45-54	#66	Four or more visits a month	Yes	Favor	I think it is good for the community.

GENDER & AGE?	ID#	Q2. FREQUENCY OF VISITING VACAVILLE PARKS?	CHILDREN 17 OR YOUNGER?	POSITION ON EXTENDING MEASURE I?	Q19. REASONS FOR YOUR POSITION ON EXTENDING MEASURE I?
F45-54	#67	Four or more visits a month	No	Favor	We've been doing it for this long, and it has been nice.
F45-54	#77	Four or more visits a month	No	Oppose	I don't like where the money is being spent.
F45-54	#82	Four or more visits a month	Yes	Favor	The athletics, the arts and the community are very important. It is getting cut and we need to fund all that stuff.
F45-54	#87	No visits in last six months	No	Oppose	I did not live here in 1988. I don't know what the whole thing is about.
F45-54	#88	Two to three visits a month	Yes	Favor	I am already paying it, so it is not going to affect my pocketbook. It is then fine.
F45-54	#95	Four or more visits a month	No	Favor	They can keep things going and provide services to the people of Vacaville.
F45-54	#97	No visits in last six months	No	Oppose	It is already paid off. I don't have any money. I can't afford anything more.
F45-54	#103	Four or more visits a month	No	Favor	Those things are important and should be maintained. Taxes are the easiest way to get the money to do that.
F45-54	#105	Two to three visits a month	No	Favor	With all the budget cuts, we don't need libraries and other school programs getting cut. It would make the younger generation less ready for the future.
F45-54	#108	Two to three visits a month	No	Favor	It was because without those types of things, there would not be things for families. Plus, we have already been paying it.
F45-54	#121	No visits in last six months	No	Oppose	I know they are going to raise the rates really high, and we can't afford to be taxed to death.
F45-54	#124	About one visit a month	No	Favor	It sounds very good.
F45-54	#140	Less than one visit a month	No	Favor	If the money isn't there from the outside source, the city's funds are so stretched out. If the program they support suffers, the tax will be there.
F45-54	#142	Four or more visits a month	Yes	Favor	It is important having these things available to the community.
F45-54	#151	Less than one visit a month	No	Neutral	It doesn't matter to me.
F45-54	#155	Four or more visits a month	Yes	Favor	All of the things are important to the community.
F45-54	#156	About one visit a month	No	Favor	The community center is stellar. It is one of the best in the region. The money spent was well worth it. It is really a jewel. The performers who come to town love it immensely. The equipment we have is unbelievable. The Andrews Park is terrific. It is a very beautiful center. It is amazing. I have spent some of my best times in those facilities.
F45-54	#164	Less than one visit a month	No	Favor	What is there now is a good thing, but they are not expanding on it.
F45-54	#176	Two to three visits a month	Yes	Neutral	There are so many activities going on. It would hurt the community a little even if a few things had to be cut. They are very children focused here. It is a large part of why we moved here.
F45-54	#185	Two to three visits a month	Yes	Favor	I would say because I would like to see more development.
F45-54	#192	Less than one visit a month	Yes	Oppose	The city has asked for employee cutbacks. They shouldn't expand and take from the employees that need to eat.
F45-54	#196	Four or more visits a month	No	Favor	I am paying now and continuing to pay. It would not be a hardship for me.
F45-54	#201	Less than one visit a month	Yes	Neutral	I need to visually see what you are telling me and where the money is going.
F45-54	#209	Less than one visit a month	No	Neutral	I am not quite sure I am ready to pay more taxes for that.

GENDER & AGE?	ID#	Q2. FREQUENCY OF VISITING VACAVILLE PARKS?	CHILDREN 17 OR YOUNGER?	POSITION ON EXTENDING MEASURE I?	Q19. REASONS FOR YOUR POSITION ON EXTENDING MEASURE I?
F45-54	#211	Four or more visits a month	Yes	Favor	All the things available are all things we take advantage of and they really enhance the city.
F45-54	#237	Two to three visits a month	No	Favor	It would make Vacaville better.
F45-54	#250	Four or more visits a month	Yes	Favor	It would keep jobs. It would keep people working. Everyone makes use of these public facilities. If they weren't improving on anything, if you pass a measure to improve a facility and there is no improvement, there are taxes on cigarettes and on everything. If the improvements are being made I would keep paying for it if it's working. It keeps people working. They have parks and recreation staff and gardeners. It keeps them all working and it keeps the city working as a city. The kids have places to go and do things. It's a win-win situation to me.
F45-54	#252	No visits in last six months	No	Neutral	Don't know.
F45-54	#253	Four or more visits a month	No	Neutral	It's something reasonable for seniors use, so I would support the tax.
F45-54	#259	Less than one visit a month	No	Favor	The funds were used for what they were voted in place to be used for.
F45-54	#267	Two to three visits a month	No	Favor	I believe what the city is doing
F45-54	#325	Less than one visit a month	No	Oppose	Right now, we need more money to spend on important things, like firefighters, police and keeping people safe.
F45-54	#327	Two to three visits a month	No	Favor	I'm very much into family. I am extremely in favor of anything that the city can do to promote family interaction.
F45-54	#346	Less than one visit a month	No	Favor	When we moved here, we didn't realize there was a tax code, so I wouldn't feel like I was paying extra out of my pocket.
F45-54	#347	Four or more visits a month	No	Favor	Any funding that goes towards physical activity, sports and family oriented things only enhances the community and provides an alternative to getting a healthy lifestyle and having places to go for your well-being.
F45-54	#366	Four or more visits a month	No	Neutral	It's not a place I use very often.
F55-64	#9	Two to three visits a month	No	Favor	We need to continue the services.
F55-64	#12	No visits in last six months	No	Neutral	It is due to not knowing where that tax lies. I would have to see what that tax would be, whether a homeowner tax or sales tax.
F55-64	#133	Two to three visits a month	No	Favor	We need more theater activities and more activities for seniors too.
F55-64	#134	Four or more visits a month	No	Oppose	Originally, when that was put on, it was supposed to be for 10 years. In here, we are a few years later and they want more money.
F55-64	#154	Two to three visits a month	Yes	Favor	We need those things. They are very important.
F55-64	#163	Four or more visits a month	No	Favor	With the people out of work, they need access to take their children for something to do. It would give the teenagers something to do as well as the seniors. It would be good for the community.
F55-64	#168	Four or more visits a month	No	Favor	They need to maintain what we already have.
F55-64	#179	About one visit a month	No	Favor	It is because it is a wonderful measure.
F55-64	#182	Less than one visit a month	No	Favor	I like all of the programs. I want to see them continue.
F55-64	#189	About one visit a month	No	Favor	If you don't fund it, it will go to hell.

GENDER & AGE?	ID#	Q2. FREQUENCY OF VISITING VACAVILLE PARKS?	CHILDREN 17 OR YOUNGER?	POSITION ON EXTENDING MEASURE I?	Q19. REASONS FOR YOUR POSITION ON EXTENDING MEASURE I?
F55-64	#198	No visits in last six months	No	Favor	It would benefit everybody.
F55-64	#206	About one visit a month	No	Favor	I like the things that they offer. I favor of it as long as it is extended and not raised.
F55-64	#219	Four or more visits a month	No	Neutral	I don't think it applies to me because I am not in that area.
F55-64	#220	About one visit a month	Yes	Favor	It keeps the roads good. They are good at repairs.
F55-64	#230	About one visit a month	No	Favor	What they have done so far is valuable to the community. It has increased home values. It gives people places to go at any age.
F55-64	#236	About one visit a month	No	Favor	I want to keep the level of services that we have. I don't want it to decline. I don't want the quality of life to decline. The mix of the parks and the community make for a very nice town.
F55-64	#270	About one visit a month	No	Favor	I think I am going to be living here for long time and I want to see that the city grows along with our population.
F55-64	#326	Less than one visit a month	No	Oppose	They waste money. Do you know they have city workers with jobs that need two workers, and they'll have six? No one is doing work. They are just standing around doing nothing. They don't even work hard. They need to spend money to clean up the graffiti and prosecute parents.
F55-64	#344	No visits in last six months	No	Favor	The community benefits when the people get involved together.
F55-64	#380	Less than one visit a month	No	Neutral	I don't think people have the money for that. They should be helping the people. There are a lot of people in need.
F65+	#3	About one visit a month	No	Oppose	We are on a fixed income, and it would end up having everybody pay more.
F65+	#8	No visits in last six months	No	Favor	Anything for improvement is good.
F65+	#14	Less than one visit a month	No	Favor	I would go to the events.
F65+	#15	Less than one visit a month	No	Oppose	With the economy right now, we keep getting more taxes on top of more taxes.
F65+	#23	Less than one visit a month	No	Neutral	I don't know how much tax we are paying for.
F65+	#28	Four or more visits a month	No	Neutral	They are doing enough now for those reasons. You said this happened in 1988 and I just moved here.
F65+	#38	Less than one visit a month	No	Oppose	It is because of my situation. I was unable to take part, so I would oppose paying for something I would never get to use. I also wasn't here to be part of the original vote. Beside, I'm a senior. I have so little money as it is and I'm already taxed to death.
F65+	#44	No visits in last six months	No	Favor	They need all those things.
F65+	#123	No visits in last six months	No	Favor	It is mainly because it helps the library and that is something I use almost daily.
F65+	#130	Four or more visits a month	No	Oppose	I oppose anything that raises our taxes.
F65+	#131	Two to three visits a month	No	Oppose	More funding means more spending.
F65+	#145	Less than one visit a month	No	Neutral	I don't know the financial situation of the city and what they can afford.
F65+	#150	Less than one visit a month	No	Neutral	Don't know.
F65+	#166	Less than one visit a month	No	Neutral	Don't know.
F65+	#190	Two to three visits a month	No	Oppose	We are taxed enough.
F65+	#195	About one visit a month	No	Favor	Those services need to be provided.

**Responses to Q19: "And why do you say that you would likely <favor / be neutral to / oppose> extending this tax measure?"

GENDER & AGE?	ID#	Q2. FREQUENCY OF VISITING VACAVILLE PARKS?	CHILDREN 17 OR YOUNGER?	POSITION ON EXTENDING MEASURE I?	Q19. REASONS FOR YOUR POSITION ON EXTENDING MEASURE I?
F65+	#197	No visits in last six months	No	Oppose	We had a library and cultural center, and that is enough. The library should be closed on Sundays.
F65+	#202	About one visit a month	Yes	Favor	It is doing a good job as it is.
F65+	#213	Four or more visits a month	No	Favor	The city has done really well with its services. I see no reason to stop it.
F65+	#217	Less than one visit a month	No	Oppose	Don't know.
F65+	#226	Less than one visit a month	No	Neutral	Don't know.
F65+	#248	Two to three visits a month	No	Oppose	I think the city has enough to do without adding more.
F65+	#251	No visits in last six months	No	Neutral	I oppose any tax increases.
F65+	#256	Less than one visit a month	No	Favor	I'm interested in the performing arts.
F65+	#262	About one visit a month	No	Favor	What they did with the money they had was great, so what they can do with it will be great.
F65+	#264	Less than one visit a month	No	Favor	They are doing good job now, so don't change.
F65+	#269	Less than one visit a month	No	Oppose	I don't think they should be imposing more taxes on people.
F65+	#271	No visits in last six months	No	Neutral	Everyone is losing their houses and stuff. I think it's more important to focus on helping people and our children. I think we can hold off until we have a better economy.
F65+	#328	Less than one visit a month	No	Neutral	I haven't studied it enough to know what the situation is.
F65+	#336	About one visit a month	No	Favor	It is because of all that stuff that needs to be done.
F65+	#372	No visits in last six months	No	Oppose	Nobody has any money right now.
F65+	#376	About one visit a month	No	Oppose	I don't use any of that. I'm so old. I don't get around that much.
