### **Narrative:**

On July 4, 2012, patrol officers responded to a call of a man stabbed at the intersection of Depot Street at Mason Street. Upon arrival, officers contacted a male subject suffering from stab wound. The subject was a local transient who had a single wound to his torso.

Patrol officers completed an area check for suspects with negative results. Detectives from the Investigative Services Section (ISS) were called out and began investigating the incident. It appears the crime scene was a homeless encampment under the bridge on Depot Street. No witnesses of the crime have been located at this time.

The victim was transported to a local hospital for treatment and surgery. He is expected to make a full recovery and is still in the hospital. The victim is not cooperating with police at this time and appears unwilling to identify the responsible. Police do not have a suspect description to share with the public.

Anyone with information about this case is asked to contact the Vacaville Police. Our 24 hour communication center can be reached at (707) 449-5200 or Detective Adam Senf can be reached at (707) 449-5245.
