

## CONDITIONAL USE PERMIT

Conditional Use Permits are required for uses listed as conditional in the Land Use and Development Code or a Policy Plan. It is a land use permit allowing a use under specified conditions which assure that the use will not be detrimental to the public health, safety, and welfare and will not diminish the integrity and character of the zone district. Each application is considered on its individual merit and, if approved, the Conditional Use Permit runs with the land. Conditional Use Permit applications are reviewed by the Planning Commission except in Policy Plan areas where they are reviewed by staff.
