Hit and Run Leaves Woman Hospitalized

Narrative:

On March 12, 2013, at 8:13 p.m., officers were dispatched to the 500 block of Davis Street near the Davis Park and Ride for a subject down in the middle of the roadway. Officers arrived and located a 38 year old intoxicated female on the sidewalk. She was bleeding from a visible leg injury. She said she had been hit by a vehicle, but could not provide further information due to her intoxication. Her injuries were consistent with her being struck by a vehicle. It appears she was walking across Davis Street under the over crossing and was struck by an unknown vehicle. The driver of the vehicle failed to stop to see if she was okay. Our Dispatch Center received several 9-1-1 calls related to this incident, but no one saw her get struck by a vehicle. The victim was transported to a local hospital and was admitted for treatment for her injuries. Her injuries are not life threatening.

The Vacaville Police Department is encouraging anyone who may have witnessed this hit and run accident to contact Traffic Officer Chuck Bailey at (707) 449-5200.
