VACAVILLE RESIDENT KILLED IN SOLO MOTORCYCLE ACCIDENT

A 22-year-old Vacaville resident died early Saturday morning when his motorcycle crashed on Allison Parkway.

Police responded at approximately 2:12 a.m. Saturday morning to a call of a traffic collision involving a motorcyclist on Allison Parkway just north of Edenderry Drive. Upon arrival they located one male motorcyclist on the roadway with major injuries. The man, later identified as Kyle Quan, 22, of Vacaville was immediately rushed to Kaiser Permanente in Vacaville for treatment. Despite all efforts, Quan succumbed to his injuries at the hospital.

A small portion of Allison Parkway was closed for a few hours while traffic officers investigated the collision scene. It is unclear at this time if drugs or alcohol were factors in this accident. Investigators do not believe any other vehicles were involved. It appears Quan was not wearing a helmet or other safety equipment at the time of the accident.

The Vacaville Police Department would like to remind all motorcyclists to ride safely and defensively, and to always use approved safety equipment and helmets when riding.

If you have any information regarding this incident, please contact Traffic Officer Carly Broaddus at 707-449-5200.
