### **2016 COMMUNITY LAW ENFORCEMENT ACADEMY SET FOR FEBRUARY 2**

The Vacaville Police Department is pleased to announce its 25<sup>th</sup> Community Law Enforcement Academy beginning on Tuesday, February 2, 2016.

The Academy will showcase what the department does, how it does it, and more importantly, why. Patrol officers, detectives, K-9 officers, and SWAT Team members will join others in demonstrations, presentations, and question/answer sessions.

The academy will run from 6-9 p.m. for eight consecutive Tuesday evenings. Each evening will typically cover three topics. The Emergency Operations Center/Training Room will provide the venue for the classroom.

Past students have praised the program and have come away with a new understanding and appreciation of the Vacaville Police Department and of police operations in general. Seating is limited to the first 30 members of the community who either work or live in Vacaville. Attendees must be at least 18 years old to participate and pass a local criminal background check. There is no cost to the student.
